FOLLOW-UP REMARKS:
COUNTY'S DRAFT

April 11, 2011
Yesterday, the Blaine County Board of Commissioners voted to approve the attached version of the amended and Restated Joint Powers Agreement for the Friedman Memorial Airport Authority. The version that we approved and would like the City of Hailey to consider is largely the same as the draft that you sent to us on March 5, 2011 with a few additions. I hope that these changes are agreeable to the City of Hailey. Blaine County believes that they are reasonable and important. We look forward to hearing from you at your earliest convenience.

Sincerely,
Angenie McCleary

WHEREAS the Existing Airport operates under a temporary operating procedure, revocable at any time and created to accommodate certain aircraft while a Replacement Airport is pursued; and, the Existing Airport cannot comply with C-III design standards without expanding the Existing Airport; and

WHEREAS, the Existing Airport cannot permanently comply with FAA design standards without significantly expanding the Existing Airport; and

WHEREAS, the County and the City have agreed not to expand the Existing Airport; and

WHEREAS, the County and the City seek the highest quality and safest airport possible within the physical limits imposed by the geography of the Existing Airport location; and

WHEREAS, Idaho Code Section 67-2328 expressly authorizes public entities to create a separate legal or administrative entity to exercise powers possessed by the public agencies creating such entity; and

WHEREAS, the County and the City have determined that it is in the best interests of the County and the City, and their inhabitants, to continue managing and operating the Existing Airport under the Authority while reconstituting the Board of the Authority during the time that the County and City are seeking a replacement site for the Existing Airport facilities; and
WHEREAS, a Replacement Airport is being planned to be located in the County and it is the intent of the parties that the Existing Airport will permanently be closed and sold when the Replacement Airport is operational; and

WHEREAS, the City and County previously agreed in a July 6, 2010 Agreement for Development of Replacement Airport and Redevelopment of Friedman Memorial Airport to transition to a restructured governing board, which will be accomplished by this Agreement; and

ARTICLE V

FINANCE AND BUDGET

Section 5.1: ANNUAL BUDGET

The fiscal year of the Authority shall commence on October 1 of each year and shall end on September 30 of the following year. The Authority Board shall prepare a preliminary annual budget for each fiscal year, showing the anticipated revenues and expenditures, which budget shall be adopted as set forth hereinafter. If the preliminary budget provides for a revenue request from the County or the City, the preliminary budget shall be certified to the County or the City prior to the publication of the preliminary budget of the County and the City. Nothing herein shall be construed as obligating the County or the City to grant such revenue request.

On or before the first Tuesday in August, annually, there shall be held at a time and place determined by the Board a meeting and public hearing upon the proposed budget of the Authority. Notice of the meeting and public hearing shall be published in a newspaper of general circulation in the County in one (1) issue thereof. The place, hour, and day of such hearing shall be specified in said notice, as well as the place where such budget may be examined prior to such hearing. A summary of such proposed budget shall be published with and as a part of the publication of such notice of hearing in substantially the form required in section 31-1604, Idaho Code. On or before August 15 of each year, a budget for the Authority shall be approved by the Authority Board.

Section 5.2: AIRPORT FUNDS

The Authority shall establish such fund or funds for the deposit and expenditure of airport moneys as it deems necessary or appropriate, consistent with generally accepted municipal accounting practices, and shall provide for the manner of expenditure of funds. All moneys held in airport funds by the County or the City shall be transferred to the funds of the Authority. The Authority Board shall require the annual audit of all airport funds by an independent auditor and shall provide copies of each annual audit to the County and the City.

ARTICLE VI

COVENANTS AND RESTRICTIONS

Section 6.1: The Authority shall comply with the following covenants and restrictions regarding operation of the Existing Airport. All capitalized terms shall have the meanings assigned thereto in the Master Plan, except as otherwise defined in this Agreement. The
covenants and restrictions concerning airport operations shall not apply to the Replacement Airport.

A. There shall be no expansion of the land base of the Existing Airport beyond what has been established by the Master Plan.

B. Commercial airline activity shall be permitted to remain at current levels and increases in the number and frequency of such flights shall be accommodated within the other limitations contained herein and as delineated by the Master Plan.

C. Aviation activities (as defined in the Master Plan) will be requested to observe a curfew between 11:00 P.M. and 6:00 A.M. Additional restrictions to operations, based on Part 150, City ordinances, and airport planning activities initiated prior to promulgation of Part 161, may be imposed on decibels and hours of operation.

D. The number of tie-downs available for locally based tie-downs shall be a minimum of 66, at Master Plan completion, provided that the current number of transient tie-downs shall not be reduced.

F. To the extent possible, consistent with FAA regulations, landings from, or take-offs to, the north shall be restricted.

G. The Authority shall obtain and maintain property damage and comprehensive liability insurance in amounts sufficient to protect the airport property and to insure the County, the City, and the airport against tort and other damage claims. The amount of insurance shall be subject to approval annually by the County and the City, which approval shall not unreasonably be withheld.

H. No later than January 1, 2012, the Authority, in cooperation with the City and the County, will take actions as appropriate to secure approval from the Federal Aviation Administration for the transfer to the Authority of any grant assurance obligations to the Federal Aviation Administration incurred by the City and by the County in connection with the operation and development of the Existing Airport. As part of such transfer of obligations, the Authority agrees to accept the City’s and the County’s existing grant obligations with regard to the Existing Airport. In addition, the Authority agrees to accept the future grant assurance obligations with regard to the Replacement Airport. The Authority, City and County agree that as part of the acceptance by the Authority of any past or future grant assurances, the City and the County will to the extent allowed by law be released from any and all of their obligations associated with the grant assurances.

I. The Authority, City and the County shall sell their real property interests in the Existing Airport site in a manner that ensures that an airport cannot continue to operate on the Existing Airport site as a non-conforming use after the opening of the Replacement Airport, and will file appropriate affidavits of withdrawn use in a manner consistent with Idaho Code § 67-6538, and commit to convey title to the real and personal property at the Existing Airport to be
held by the Authority as described in Sections 4.2(D) and (E) in an orderly and expeditious manner to facilitate financing of the Replacement Airport.

ARTICLE VII
POWERS AND OPERATION
DURING PLANNING FOR A REPLACEMENT AIRPORT

Section 7.1  PLANNING PERIOD

Notwithstanding anything to the contrary in this Agreement, this Article VII shall apply from the date of execution of this Agreement until the Conclusion of Planning, as defined in Section 7.7.

Section 7.2  GOVERNING BOARD; VOTING

Except as otherwise provided herein, the Authority Board shall be reconstituted to consist of the following members: the three (3) members to be appointed by the County Commissioners of the County; three (3) members to be appointed by the City Council; and one (1) member to be appointed by unanimous vote of the other six (6) Authority Board members (the "Independent Member"). Following notification by FAA that the Existing Airport has been permanently closed to all air traffic, the County may, in its sole discretion, appoint Authority Board members who are not County Commissioners. The three County members shall be voting members.

Section 7.3  TERMS OF OFFICE

The members of the Authority Board that are County Commissioners shall serve during the period that they are serving as County Commissioners. The members of the Authority Board that are appointed by the City Council or the County Commissioners shall serve for such period as may be determined by the City Council or the County Commissioners, as the case may be, from time to time. The Independent Member shall serve a two-year term commencing on January 1 of the year of appointment. Any member may be removed, and any vacancy filled, by the entity originally appointing such member, except the Independent Member, who may be removed only by the unanimous vote of the remaining Authority Board members.

Section 7.4  QUORUM/PARTICIPATION

A. Quorum. A quorum for all decisions to conduct business, except for Joint Decision Matters, shall consist of at least two (2) County members of the Authority Board. For Joint Decision Matters described in Sections 7.5(A), 7.5(B)(1) and 7.5(B)(2), a quorum shall consist of least two (2) City members of the Authority Board and at least two (2) County members of the Authority Board.

B. Participation. Except as otherwise provided herein, any member in attendance at a meeting, regardless of their voting status, shall be entitled to participate fully in the discussions and deliberations of any matter that comes before the Authority Board. Following notification by FAA that the Existing Airport has been permanently closed to all air traffic, the City members and the Independent Member of the Authority Board shall not be entitled to participate as an
Authority Board member in the discussions and deliberations of any matter that comes before the Authority Board except for decisions described in Sections 7.5(B)(1) and (2).

Section 7.5 DELIBERATIONS AND DECISIONS

A. Before Closure of Existing Airport. Before notification by FAA that the Existing Airport has been permanently closed to all air traffic, all members of the Authority Board shall be entitled to deliberate, make decisions and exercise all powers with respect to the Existing Airport, as a Joint Decision Matter, but only the County members of the Authority Board shall be entitled to deliberate, make decisions and exercise all powers with respect to the Replacement Airport for all other matters which come before the Authority Board. To the greatest extent possible, the Authority Chair and Authority staff shall work cooperatively to delineate and separate matters pertaining to the Existing Airport from those involving the Replacement Airport.

B. After Closure of Existing Airport. Following notification by FAA that the Existing Airport has been permanently closed to all air traffic, only the County members of the Authority Board shall be entitled to deliberate and make decisions with respect to any matter that comes before the Authority Board, except for the following Joint Decision Matters, in which case all members of the Authority Board shall be entitled to deliberate and make a decision:

1. A decision to sell or enter into a contract to sell any real estate on the Existing Airport and all decisions incidental thereto consistent with section 6.1(f) and the need for expeditious action to fulfill the purposes of Section 6.1(f); and

2. A decision to authorize funding for, or implementation of, environmental remediation at the Existing Airport site.

To the greatest extent possible, the Authority Chair and Authority staff shall work cooperatively to delineate and separate the matters set forth in (1) and (2) above from all other matters coming before the Authority Board. For purposes of making any Authority decisions except those listed (1) and (2) above, the Board/County Commissioners may reconstitute the Authority Board as it sees fit.

C. Pursuant to the July 6, 2010 Agreement for Development of Replacement Airport and Redevelopment of Friedman Memorial Airport, the City has primary responsibility for (i) addressing land ownership issues and developing the strategy for redeveloping the Existing Airport site as a unified redevelopment effort; (ii) negotiating with the Friedman family interests; (iii) public outreach to develop a master plan for redevelopment of the Existing Airport site; (iv) preparing a master plan for redevelopment; (v) issuing all of the permits and City authorizations necessary to comply with the City’s development regulations for redevelopment of the Existing Airport; and (vi) implementing the master plan and determining the phasing and timing of the development.

D. Prior to closure of the Existing Airport, either party may require joint request negotiation, development, and execution of a joint-plan setting forth criteria for the sale of real estate on the Existing Airport site. Such criteria shall ensure that the real estate is sold in a
manner that optimizes revenue potential for funding of the Replacement Airport while remaining sensitive to the planning needs of the City.

Section 7.6  MATTERS REQUIRING JOINT DECISION

In the event the Authority Board wishes to consider a resolution, motion or other action that is a Joint Decision Matter described in Sections 7.5(A), 7.5(B)(1) and 7.5(B)(2), the agenda for the meeting at which the matter is to be considered shall so indicate. All Authority Board members in attendance shall be entitled to vote on such a Joint Decision Matter. Any such Joint Decision Matter can be approved only by a majority consisting of at least two (2) City members of the Authority Board and at least two (2) County Commissioner members of the Authority Board.

Section 7.7  CONCLUSION OF PLANNING

This Article VII shall be deemed to have been rescinded upon the Conclusion of Planning which is defined as the first of the following events:

A. Ten (10) days after the Authority Board has voted to terminate all efforts to relocate the Existing Airport to a new site. Such a determination will not be treated as a Joint Decision Matter.

B. Upon mutual consent of the City and the County.

If this Article VII is rescinded pursuant to this Section, membership on and procedure for the Authority Board shall revert to that described in Article III.

ARTICLE VIII

MISCELLANEOUS

Section 8.1: TERMINATION OF PRIOR AGREEMENTS

All prior joint powers agreements relating to the joint operation of the Existing Airport are hereby terminated and superseded by this Agreement. Nothing herein shall be construed as impairing any existing contract obligations, all of which obligations shall continue in force and effect in accordance with their terms as obligations of the Authority. In the event of a conflict between this Agreement and any prior Memorandum of Understanding or other Agreement between the parties, the stated and agreed upon provisions of this Agreement shall control.

Section 8.2: ENFORCEMENT OF RULES AND REGULATIONS

In addition to the Authority Board’s powers to enforce Existing Airport rules and regulations by civil action, the City may, by ordinance, provide that the violation of any such rule or regulation shall be a misdemeanor and may provide for the enforcement of the same.

Section 8.3: INVALIDITY
If any section of this Agreement is declared invalid by a court of competent jurisdiction, or if the FAA refuses to honor this Agreement or any portion thereof, either party may terminate this Agreement within 60 days of such declaration of invalidity by written notice to the other party.

If the preliminary budget provides for a revenue request from the County or the City, the preliminary budget shall be certified to the County or the City prior to the publication of the preliminary budget of the County and the City. Nothing herein shall be construed as obligating the County or the City to grant such revenue request.

On or before the first Tuesday in August, annually, there shall be held at a time and place determined by the Board a meeting and public hearing upon the proposed budget of the Authority. Notice of the meeting and public hearing shall be published in a newspaper of general circulation in the County in one (1) issue thereof. The Authority Board shall require the annual audit of all airport funds by an independent auditor and shall provide copies of each annual audit to the County and the City.

ARTICLE VI

COVENANTS AND RESTRICTIONS

Section 6.1: The Authority shall comply with the following covenants and restrictions regarding operation of the Existing Airport. All capitalized terms shall have the meanings assigned thereto in the Master Plan, except as otherwise defined in this Agreement. The covenants and restrictions concerning airport operations shall not apply to the Replacement Airport.

shall serve a two-year term commencing on January 1 of the year of appointment. Any member
may be removed, and any vacancy filled, by the entity originally appointing such member,
except the Independent Member, who may be removed only by the unanimous vote of the
remaining Authority Board members.

by FAA that the Existing Airport has been permanently closed to all air traffic, the City members
and the Independent Member of the Authority Board shall not be entitled to participate as an
Authority Board member in the discussions and deliberations of any matter that comes before the
Authority Board except for decisions described in Sections 7.5(B)(1) and (2).
Section 7.5 DELIBERATIONS AND DECISIONS

A. Before Closure of Existing Airport. Before notification by FAA that the Existing Airport has been permanently closed to all air traffic, all members of the Authority Board shall be entitled to deliberate, make decisions and exercise all powers with respect the Existing Airport, as a Joint Decision Matter, but only the County members of the Authority Board shall be entitled to deliberate, make decisions and exercise all powers with respect to the Replacement Airport for all other matters which come before the Authority Board. D. Prior to closure of the Existing Airport, either party may require joint negotiation, development, and execution of a plan setting forth criteria for the sale of real estate on the Existing Airport site. Such criteria shall insure that the real estate is sold in a manner that optimizes revenue potential for funding of the Replacement Airport while remaining sensitive to the planning needs of the City.
Section 7.6 MATTERS REQUIRING JOINT DECISION

In the event the Authority Board wishes to consider a resolution, motion or other action that is a Joint Decision Matter described in Sections 7.5(A), 7.5(B)(1) and 7.5(B)(2), the agenda for the meeting at which the matter is to be considered shall so indicate. All Authority Board members in attendance shall be entitled to vote on such a Joint Decision Matter. Any such Joint Decision Matter can be approved only by a majority consisting of at least two (2) City members of the Authority Board and at least two (2) County Commissioner members of the Authority Board.

Section 7.7 CONCLUSION OF PLANNING

This Article VII shall be deemed to have been rescinded upon the Conclusion of Planning which is defined as the first of the following events:

B. Upon mutual consent of the City and the County.

If this Article VII is rescinded pursuant to this Section, membership on and procedure for the Authority Board shall revert to that described in Article III.

ARTICLE VIII

In the event of a conflict between this Agreement and any prior Memorandum of Understanding or other Agreement between the parties, the stated and agreed upon provisions of this Agreement shall control.

Section 8.2: ENFORCEMENT OF RULES AND REGULATIONS

WHEREAS, the County and the City have jointly operated and are currently and jointly operating an airport known as the Friedman Memorial Airport located within the City and County (the "Existing Airport"); and

WHEREAS, an airport is of critical importance to the economy of the County and the City, and, as pressure for use of the Existing Airport reaches the physical limits of the Existing Airport, the County and the City have, since the adoption of the Master Plan, decided to seek a replacement site for Existing Airport facilities away from urban populations rather than expanding the Existing Airport; and

WHEREAS the Existing Airport operates under a temporary operating procedure, revocable at any time and created to accommodate certain aircraft while a Replacement Airport is pursued; and, the Existing Airport cannot comply with C-III design standards without expanding the Existing Airport; and

WHEREAS, the Existing Airport cannot permanently comply with FAA design standards without significantly expanding the Existing Airport; and

WHEREAS, the County and the City have agreed not to expand the Existing Airport; and

WHEREAS, the County and the City seek the highest quality and safest airport possible within the physical limits imposed by the geography of the Existing Airport location; and

WHEREAS, Idaho Code Section 67-2328 expressly authorizes public entities to create a separate legal or administrative entity to exercise powers possessed by the public agencies creating such entity; and

WHEREAS, the County and the City have determined that it is in the best interests of the County and the City, and their inhabitants, to continue managing and operating the Existing Airport under the Authority while reconstituting the Board of the Authority during the time that the County and City are seeking a replacement site for the Existing Airport facilities; and
WHEREAS, a Replacement Airport is being planned to be located in the County and it is the intent of the parties that the Existing Airport will permanently be closed and sold when the Replacement Airport is operational; and

WHEREAS, the City and County previously agreed in a July 6, 2010 Agreement for Development of Replacement Airport and Redevelopment of Friedman Memorial Airport to transition to a restructured governing board, which will be accomplished by this Agreement; and

WHEREAS, the County and the City accordingly wish to amend their prior joint powers agreements, while restating pertinent provisions of their prior joint powers agreements;

ARTICLE V

Section 5.1: ANNUAL BUDGET

The fiscal year of the Authority shall commence on October 1 of each year and shall end on September 30 of the following year. The Authority Board shall prepare a preliminary annual budget for each fiscal year, showing the anticipated revenues and expenditures, which budget shall be adopted as set forth hereinafter. If the preliminary budget provides for a revenue request from the County or the City, the preliminary budget shall be certified to the County or the City prior to the publication of the preliminary budget of the County and the City. Nothing herein shall be construed as obligating the County or the City to grant such revenue request.

On or before the first Tuesday in August, annually, there shall be held at a time and place determined by the Board a meeting and public hearing upon the proposed budget of the Authority. Notice of the meeting and public hearing shall be published in a newspaper of general circulation in the County in one (1) issue thereof. The place, hour, and day of such hearing shall be specified in said notice, as well as the place where such budget may be examined prior to such hearing. A summary of such proposed budget shall be published with and as a part of the publication of such notice of hearing in substantially the form required in Section 31-1604, Idaho Code. On or before August 15 of each year, a budget for the Authority shall be approved by the Authority Board.

Section 5.2: AIRPORT FUNDS

All moneys held in airport funds by the County or the City shall be transferred to the funds of the Authority. The Authority Board shall require the annual audit of all airport funds by an independent auditor and shall provide copies of each annual audit to the County and the City.

ARTICLE VI
COVENANTS AND RESTRICTIONS

Section 6.1: The Authority shall comply with the following covenants and restrictions regarding operation of the Existing Airport. All capitalized terms shall have the meanings assigned thereto in the Master Plan, except as otherwise defined in this Agreement. The covenants and restrictions concerning airport operations shall not apply to the Replacement Airport.
A. There shall be no expansion of the land base of the Existing Airport beyond what has been established by the Master Plan.

B. Commercial airline activity shall be permitted to remain at current levels and increases in the number and frequency of such flights shall be accommodated within the other limitations contained herein and as delineated by the Master Plan.

C. Aviation activities (as defined in the Master Plan) will be requested to observe a curfew between 11:00 P.M. and 6:00 A.M. Additional restrictions to operations, based on Part 150, City ordinances, and airport planning activities initiated prior to promulgation of Part 161, may be imposed on decibels and hours of operation.

The amount of insurance shall be subject to approval annually by the County and the City, which approval shall not unreasonably be withheld.

H. No later than January 1, 2012, the Authority, in cooperation with the City and the County, will take actions as appropriate to secure approval from the Federal Aviation Administration for the transfer to the Authority of any grant assurance obligations to the Federal Aviation Administration incurred by the City and by the County in connection with the operation and development of the Existing Airport. As part of such transfer of obligations, the Authority agrees to accept the City’s and the County’s existing grant obligations with regard to the Existing Airport. The Authority, City and County agree that as part of the acceptance by the Authority of any past or future grant assurances, the City and the County will to the extent allowed by law be released from any and all of their obligations associated with the grant assurances.

I. The Authority, City and the County shall sell their real property interests in the Existing Airport site in a manner that ensures that an airport cannot continue to operate on the Existing Airport site as a non-conforming use after the opening of the Replacement Airport, and will file appropriate affidavits of withdrawn use in a manner consistent with Idaho Code § 67-6538, and commit to convey title to the real and personal property at the Existing Airport to be held by the Authority as described in Sections 4.2(D) and (E) in an orderly and expeditious manner to facilitate financing of the Replacement Airport.
ARTICLE VII

Notwithstanding anything to the contrary in this Agreement, this Article VII shall apply from the date of execution of this Agreement until the Conclusion of Planning, as defined in Section 7.7.

Section 7.2 GOVERNING BOARD; VOTING

Except as otherwise provided herein, the Authority Board shall be reconstituted to consist of the following members: the three (3) members to be appointed by the County Commissioners of the County; three (3) members to be appointed by the City Council; and one (1) member to be appointed by unanimous vote of the other six (6) Authority Board members (the "Independent Member").

Section 7.3 TERMS OF OFFICE

The members of the Authority Board that are appointed by the City Council or the County Commissioners shall serve for such period as may be determined by the City Council or the County Commissioners, as the case may be, from time to time. The Independent Member shall serve a two-year term commencing on January 1 of the year of appointment. Any member may be removed, and any vacancy filled, by the entity originally appointing such member, except the Independent Member, who may be removed only by the unanimous vote of the remaining Authority Board members.

Section 7.4 QUORUM/PARTICIPATION

A. Quorum. A quorum for all decisions to conduct business, except for Joint Decision Matters, shall consist of at least two (2) County members of the Authority Board. For Joint Decision Matters described in Sections 7.5(A), 7.5(B)(1) and 7.5(B)(2), a quorum shall consist of at least two (2) City members of the Authority Board and at least two (2) County members of the Authority Board.

B. Participation. Except as otherwise provided herein, any member in attendance at a meeting, regardless of their voting status, shall be entitled to participate fully in the discussions and deliberations of any matter that comes before the Authority Board. Following notification by FAA that the Existing Airport has been permanently closed to all air traffic, the City members and the Independent Member of the Authority Board shall not be entitled to participate as an Authority Board member in the discussions and deliberations of any matter that comes before the Authority Board except for decisions described in Sections 7.5(B)(1) and (2).
Section 7.5 DELIBERATIONS AND DECISIONS

A. Before Closure of Existing Airport. Before notification by FAA that the Existing Airport has been permanently closed to all air traffic, all members of the Authority Board shall be entitled to deliberate, make decisions and exercise all powers with respect to the Existing Airport, as a Joint Decision Matter, but only the County members of the Authority Board shall be entitled to deliberate, make decisions and exercise all powers with respect to the Replacement Airport for all other matters which come before the Authority Board. To the greatest extent possible, the Authority Chair and Authority staff shall work cooperatively to delineate and separate matters pertaining to the Existing Airport from those involving the Replacement Airport.

B. After Closure of Existing Airport. Following notification by FAA that the Existing Airport has been permanently closed to all air traffic, only the County members of the Authority Board shall be entitled to deliberate and make decisions with respect to any matter that comes before the Authority Board, except for the following Joint Decision Matters, in which case all members of the Authority Board shall be entitled to deliberate and make a decision:

1. A decision to sell or enter into a contract to sell any real estate on the Existing Airport and all decisions incidental thereto consistent with section 6.1(I) and the need for expeditious action to fulfill the purposes of Section 6.1(I); and

2. A decision to authorize funding for, or implementation of, environmental remediation at the Existing Airport site.

To the greatest extent possible, the Authority Chair and Authority staff shall work cooperatively to delineate and separate the matters set forth in (1) and (2) above from all other matters coming before the Authority Board. For purposes of making any Authority decisions except those listed (1) and (2) above, the County Commissioners may reconstitute the Authority Board as it sees fit.

C. Pursuant to the July 6, 2010 Agreement for Development of Replacement Airport and Redevelopment of Friedman Memorial Airport, the City has primary responsibility for (i) addressing land ownership issues and developing the strategy for redeveloping the Existing Airport site as a unified redevelopment effort; (ii) negotiating with the Friedman family interests; (iii) public outreach to develop a master plan for redevelopment of the Existing Airport site; (iv) preparing a master plan for redevelopment; (v) issuing all of the permits and City authorizations necessary to comply with the City’s development regulations for redevelopment of the Existing Airport; and (vi) implementing the master plan and determining the phasing and timing of the development.

D. Prior to closure of the Existing Airport, either party may require joint negotiation, development, and execution of a plan setting forth criteria for the sale of real estate on the Existing Airport site. Such criteria shall insure that the real estate is sold in a manner that optimizes revenue potential for funding of the Replacement Airport while remaining sensitive to the planning needs of the City.
Section 7.6 MATTERS REQUIRING JOINT DECISION

In the event the Authority Board wishes to consider a resolution, motion or other action that is a Joint Decision Matter described in Sections 7.5(A), 7.5(B)(1) and 7.5(B)(2), the agenda for the meeting at which the matter is to be considered shall so indicate. All Authority Board members in attendance shall be entitled to vote on such a Joint Decision Matter. Any such Joint Decision Matter can be approved only by a majority consisting of at least two (2) City members of the Authority Board and at least two (2) County Commissioner members of the Authority Board.

Section 7.7 CONCLUSION OF PLANNING

This Article VII shall be deemed to have been rescinded upon the Conclusion of Planning which is defined as the first of the following events:

A. Ten (10) days after the Authority Board has voted to terminate all efforts to relocate the Existing Airport to a new site. Such a determination will not be treated as a Joint Decision Matter.

B. Upon mutual consent of the City and the County.

If this Article VII is rescinded pursuant to this Section, membership on and procedure for the Authority Board shall revert to that described in Article III.
