each annual audit to the County and the City.

ARTICLE VI

Section 6.1: The Authority shall comply with the following covenants and restrictions
regarding operation of the Existing Airport. All capitalized terms shall have the meanings
assigned thereto in the Master Plan, except as otherwise defined in this Agreement. The

The State of Idaho requires local jurisdictions to adopt the 2009 International Building Code, the International Residential Code and the International Energy Conservation Code as amended by the State Building Code Board by the end of the year with an effective date no later than January 1, 2011. Hailey has recently adopted the 2009 International Energy Conservation Code.
