AGENDA ITEM SUMMARY

DATE: 11/17/2014 DEPT.: Legislative/Administration DEPT. HEAD SIGNATURE: HD

SUBJECT: FY 2015 Budget Amendment

AUTHORITY: □ ID Code 50-1002 □ IAR □ City Ordinance

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

At the conclusion of the fiscal year just ended on September 30, 2014, unaudited financial statements show that the revenue we received is in excess of actual expenditures by over $250,000. Several expenses that were planned for late summer, including chip seal of Woodside Boulevard, Fox building repairs, and litigation were not conducted within the fiscal year. Because these items were planned to be spent within FY 2014, they are not budgeted in the FY 2015 budget.

Litigation with Old Cutters was concluded last month with a settlement agreement by which Hailey will pay Old Cutters’ attorney fees as required by the courts, which is an amount not to exceed $116,385.

A settlement agreement with Knife River Construction requires KRC to provide equipment and labor for the chip sealing of Woodside Boulevard, with Hailey providing the materials. This project was not completed last summer, and will be planned for summer 2015, under an amended agreement with KRC. The estimated amount of the materials for this project is $65,000.

GENERAL FUND: The two amounts described above are shown in the attached as an $181,385 increase to the General Fund, the revenue for which can be appropriated from the funds carried over through the under-expenses of FY 2014. The attorney fees will be appropriated in the Administration Department, and the chip seal materials will be appropriated in the Street Department (see draft Appropriation Ordinance Amendment)

FISCAL IMPACT / PROJECT FINANCIAL ANALYSIS:

Amending the budget in this manner does not reduce any budgeted services Hailey contemplated in its FY 2015 budget. Some, but not all, of the newly created fund balance from unspent projects in FY 2014 will be appropriated.

RECOMMENDATION FROM APPLICABLE DEPARTMENT HEAD:

Public Hearing and consideration of amendment to Ordinance No. 1168, the FY 2015 Appropriation Ordinance, to appropriate $116,385 for attorney’s fees stipulated by the Bankruptcy Court in the Old Cutters litigation, and $65,000 for chip seal materials for Woodside Boulevard, for a total appropriation amendment of an additional $181,385 to be expended from Hailey General Fund using unspent funds carried over from FY 2014.

Recommendation: Make a motion to adopt Ordinance No. 1168, amending Hailey Ordinance No. 1159 to increase appropriated expenses for FY 2015 by $181,385, for a total appropriation of $17,194,906 to defray necessary expenses; to waive the three readings, read by title only, and authorize the mayor to sign.

AGENDA ITEM SUMMARY

SUBJECT: Idaho Transportation Department (ITD) – Community Choices for Idaho Grant Program
Cobblestone Lane Sidewalk Improvements
Public Hearing and Approval to Advertise for Bid

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code
(IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:
The plans and specifications for the Cobblestone Lane Sidewalk Improvements have been under
development since mid-2013. The project is designed to improve safety along the Cobblestone corridor
between the Wood River Middle School and SH 75 by adding sidewalks and improving the pedestrian
crossing of SH75.

The project is funded primarily by grant funds through the ITD’s Community Choices for Idaho grant
program (in prior years, similar funding was available under the Safe Routes to School program).

On July 21, 2014, a public hearing was held for the project. No public comment was given at that time.
Since then, the design has been finalized and the specification has been completed. At the close of
tonight’s public hearing, the construction documents will be forwarded to ITD for review, approval and
advertisement for bid. Several months are built into the schedule for ITD to complete the review and
approval process. Construction is currently anticipated to commence in June 2015, at the end of the
2014/2015 school year.

Final comments on the project are welcome.

Hailey Ordinance No. 1151 (School CUP Ordinance)

(IFAPPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

I have been advised that we did not timely publish Ordinance No. 1151, which was the ordinance making schools a conditional use in certain zoning districts and which made other revisions to the zoning ordinance related to schools. Idaho Code § 50-901 requires an ordinance to be published in the official paper of the county within 30 days of passage. Consequently, I have advised the City to conduct another public hearing before the City Council and pass the ordinance again. Assuming the ordinance is passed again, then it needs to be published within the statutory time. The same packet of material which was submitted to the Council at the prior hearings is attached.
