

TRAFFIC AND ENGINEERING SPEED STUDY
SH-75 MP 115.501-117.241
May 2014

85th Percentile Speed: The 85th percentile speeds on this section of road range from 27-32 mph. (See attached graph).

Typical Section & Geometrics: Typical section is 5-lanes with two-way left turn lane (TWLTL). Traffic signals are present at Fox Acres Rd, Airport Way, Bullion, and McKercher. A couple horizontal curves are present.

Roadside Development & Friction: Numerous businesses and city streets are present. There are two school crossings of SH-75. Annual Average Daily Traffic (AADT) ranges from 15,000-20,000 vehicles per day. Traffic volumes increase in the summer months.

Advisory Curves: None.

Pedestrians, Bicycles, Parking: Numerous pedestrians and bicyclists were observed at the time of the speed study. On street parking is available throughout most of the study area.

Accident History: 140 total crashes occurred in the study area from 2009-2013. (See attached accident listing). 36 were injury crashes, and 1 fatality was listed. However, the fatality occurred near the airport tower in a 55 mph zone according to the police report and involved a drugged driver. It appears that the milepost for the fatality may have been incorrectly coded and is not actually in the study area but much farther south. A separate fatality did occur at SH-75 & Fox Acres Drive back in 2007, but the driver was so intoxicated he left the roadway over 400 feet prior to running into the traffic signal and never swerved to miss the pole.

Location: The study area is in Hailey.

Access Control: Minor Arterial, Type II Rural.

RECOMMENDATION: Based on 85th percentile speeds, roadside friction, and accident history, a regulatory speed limit of 25 mph is recommended throughout most of town, from MP 115.775-117.241. However, a short 35 mph zone is recommended on the south end of town from MP 115.501-115.775 to help transition vehicles down from 45 mph.

Fatality Dr
Fox Acres

NOT TO SCALE

On July 14, 2007 at approximately 2016 hours, I was dispatched to the intersection of South Main Street and Fox Acres Drive for a one vehicle accident involving a 1967 grey Chevy Truck (Idaho License 5B45758). Upon arrival, I assisted an off duty paramedic, in removing the driver, William McKee (identified later by St. Lukes Hospital), out of the vehicle and to start CPR because he had no pulse and was not breathing. A short while later, Wood River Ambulance arrived on scene and transported William to St. Luke's. While on scene, Officer Derek Stewart spoke with Brian Galbraith, who witnessed the accident. Brian stated he observed the Chevy traveling northbound on Highway 75. Brian stated he observed the Chevy travel off the right side of the road and drive directly forward and striking the street light pole on the north east corner of the intersection. Officer Stewart also spoke with Tayt Jorgensen who confirmed Brian's statements. Officer Stewart then spoke with Jorge Espinoza who said he reported the accident to the Blaine County Dispatch but did not see it occur. Officer Manuel Ornelas spoke with Shaden Blakley, who did not see the accident occur. Shaden stated he had been with William earlier that day in Stanley. Shaden stated William had been drinking but did not know if he was intoxicated. Officer Stewart took measurements on scene. The distance from where the tire was first visible in the dirt to the pole was 449 feet. The impact against the pole, created a 2'1" dent on the front of the Chevy. I photographed the scene and the pictures have been placed into the case file. While on scene I contacted St. Lukes Hospital and was told Matthew was in surgery. I later contacted St. Luke's Hospital and was told Matthew did not recover from surgery and was pronounced dead at the hospital. I was informed St. Lukes hospital did a blood test on William.

Idaho Vehicle Collision Report

Narrative / Additional Information / Additional Passengers:

001 2009 Chevy truck, driven by Cody Stevens (unit 1) was traveling northbound on US HWY 75 at
002 about mile marker 115 (near the Friedman Memorial Airport Tower).

003 2002 Subaru Outback, driven by Bertilia Redfern (unit 2) was traveling southbound on US HWY 75,
004 at about mile marker 115.

005 2005 Toyota Camry, driven by Monica Barrera (unit 4) was traveling northbound on US HWY 75,
006 directly behind the 2009 Chevy.

007 2003 GMC truck with a flatbed trailer, driven by Glenn Johnston (unit 3) was traveling
008 northbound on US HWY 75, directly behind the 2005 Toyota.

009 The 2009 Chevy truck swerved into the southbound lane, while driving northbound. At this time,
010 the 2002 Subaru swerved right, onto the shoulder of the roadway, to avoid a head on crash with
011 the 2009 Chevy. The Subaru then overcorrected and came back into the southbound lane of travel,
012 beginning to skid sideways (leading with the passenger side of the vehicle) and began to cross
013 over into the northbound lane of travel, while traveling southbound.

014 The Subaru then side swiped the 2005 Toyota on the rear driver's side rear quarter, with its
015 driver's side front bumper, in the northbound lane. This caused the Toyota to spin around (180
016 degree spin) on the roadway and the Toyota came to rest in the barrow pit on the west side of
017 the road, facing south.

018 The Subaru continued to travel southeast, now completely into the northbound lane of travel,
019 and was impacted on the passenger side by the 2003 GMC truck, which had a flatbed trailer that
020 had a motor vehicle on it.

021 The crash between the 2003 GMC and the 2002 Subaru happened in the northbound lane of travel.
022 The GMC and the Subaru came to rest on the right hand shoulder of northbound travel on US HWY
023 75, approximately 55 feet north of the point of impact. The woman (Redfern) driving the 2002
024 Subaru died as a result of the crash.

025 The driver (Stevens) of the 2009 Chevy truck that caused this crash, was involved in a
026 secondary crash minutes after causing this collision. Stevens had a rollover collision in the
027 City of Hailey near Spruce and Main Streets and was arrested for Felony DUI. Other charges are
028 pending.

029 Measurements of this crash are attached to this file and were provided by the Blaine County
030 Sheriff's Office.

MAYOR'S REMARKS:

MR 000

PROCLAMATIONS & PRESENTATIONS:

PP 000 Ground Water District presentation

APPOINTMENTS & AWARDS

AA 000

PUBLIC HEARING:

- PH 000 Consideration of a Zone Change application by Judy Castle, represented by Gary Slette, for an amendment to the City of Hailey Zoning District Map. Proposed changes would rezone the Woodside Subdivision #9, Lots 11-15, Block 41 (3831, 3841, 3851, 3861, and 3871 Glenbrook Drive) from Business (B) to General Residential (GR) thereby allowing single family dwellings on each lot. Hailey P&Z recommended denial on June 9, 2014.
- PH 000 Consideration of a City of Hailey initiated text amendment to Ordinance 532, the Zoning Ordinance, by amending section 8.1.1 and 8.1.2 to clarify the General Provisions and Specific Standards for regulating fences, by amending 8.2.2 to revise the definition of Animated Sign and add a definition for Electronic Message Display, by amending 8.2.6 to prohibit Electronic Message Display Signs, by amending 8.2.7 to revise Design Guidelines and Standards for all signs, and by amending 8.2.8 with the addition of a Sign Matrix ...
- PH 000 Council Adoption of Tentative Budget for FY 2015, which "not-to-exceed" amount will be published twice prior to the budget public hearing on August 22, 2014.
