AGENDA ITEM SUMMARY

DATE: 6/30/08 DEPARTMENT: Engr DEPT. HEAD SIGNATURE: 

SUBJECT: Motion to declare surplus vehicles and equipment and approve partial replacement with a leased loader and a newer semi.

AUTHORITY: □ ID Code □ IAR □ City Ordinance/Code

(B flood APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

The attached memo discusses the current condition of several pieces of equipment and various vehicles. The Street Department is making plans to minimize the necessary fleet vehicles and equipment and then provide more efficient equipment. Minimizing the fleet will necessitate hiring private contractors during the winter to assist with snow removal. This was done minimally during last winter with good results. This is reflected in an increase in the equipment rental costs in the proposed budget. A reduction in the fleet along with newer, more efficient equipment will also help reduce the fuel budget.

Becky Stokes, City Treasurer
From: Tom Hellen, Public Works Director
Date: 6/24/2008
Re: Street Department Vehicles & Equipment

Street Superintendent Kelly Schwarz has been reviewing our existing equipment and vehicles to determine where efficiencies can be found. The attached spreadsheet shows the proposed disposition and replacement of this property. There is also a set of photos showing the equipment for your benefit. While I am recommending a disposal of this equipment and vehicles there will be a need to replace some of the surplus vehicles or equipment with newer equipment.

Heavy Trucks

The four trucks listed have been inspected by our city mechanic and the repair costs from a cursory look and are at least twice the value of the truck and don’t include any possible engine repairs or electrical work. I am proposing that we sell these four trucks and replace them with a newer Semi Truck and Dump Truck. Before purchasing there would be an inspection to confirm DOT compliance. With the net loss of two semis we would also sell two of the end dumps. This would leave us with three semis and end dumps for snow removal and other uses. To make up for this reduction in equipment we are proposing hiring additional trucks on an hourly basis from local contractors. We used this approach for part of last year with good results. This saves expenditures for capital equipment, hiring additional part-time help and future maintenance costs.

End Dumps

With the net reduction in the number of semi trucks there is no need for having 5 end dumps. I recommend that two end dumps be declared surplus and sold. The Street Department has not yet determined which end dumps to discard so the surplus declaration for these will come later.
Snowblowers

The 1979 Norland snowblower truck was purchased back in 2000 as our main snowblower. It has not been a reliable snowblower over the years and is no longer needed. The 1965 FWD snowblower has been more reliable and is our third backup. We have two loader mounted snowblowers; the new Kodiak and a used 1978 Norland; which have been very reliable. I would recommend retaining the FWD as it is a truck drive snowblower and would be the backup if there was a problem with the loader.

Mid-Size Loaders

With the new Liebherr L588 Loader for large projects and the Volvo L35 mini loader we have the top and bottom ends of work covered. Our two mid-sized loaders are a 1972 CAT 930 and a 1983 CAT 950. Both of these loaders have been losing power over the years and are in need of repair. Neither is fuel efficient; the larger L588 actually uses less fuel per hour; and the 930 does not have heat for the winter. The 950 has an estimate of $16,391 to replace pins and its hydraulic system will need work soon at a cost near $20,000. In addition we have a 1972 Case tractor that is used sparingly and only value is with a lawn mower attachment used for weed cutting. The last time this tractor was repaired it cost $8,000 for a new transmission. Replacement of these three pieces of equipment with one mid-sized loader is recommended. The new loader could either be purchased outright or a lease agreement can be explored. There would be an additional savings in maintenance as either of these options would have a warranty period.

We have pursued the possibilities for obtaining a new loader from four vendors; Caterpillar, Komatsu, Liebherr and John Deere. I am recommending a lease program with a trade-in of the two loaders. We would have a 5 year lease with the choice of returning the loader or buying outright at the end of the lease. One estimated cost of this lease is $6,695 per year. The other choice is a lease-purchase agreement with an annual cost of approximately $20,000.

Vehicles

The vehicles listed are a combination of old police department cars and older pick up trucks. None are currently being used and are merely taking up space at the city shop. While some could possibly be refurbished for use for short trips by city personnel there are other vehicles available for that purpose on a rotating basis. If another vehicle is needed for that purpose it would be recommended that we budget for a more fuel efficient hybrid or electric vehicle.

The attached list of vehicles and equipment is recommended to be declared surplus. Should the city council agree with this recommendation a motion specifying the surplus items would be necessary. Following that we will begin the process of the sale of these items.

AGENDA ITEM SUMMARY

DATE: 6/30/08  DEPARTMENT:  Parks  DEPT. HEAD SIGNATURE: ________________________

SUBJECT: Motion to authorize purchase of a 20' x 20' pavilion structure plus installation costs for Woodside Central Park.

AUTHORITY:  □ ID Code  □ IAR  □ City Ordinance/Code

(IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

The purchase and installation of a picnic pavilion structure for Woodside Central Park is the last item for the LWCF Grant for park construction. It is my estimation that the installation cost is reasonable and will eliminate my time is bidding with local contractors and scheduling. Total cost is $17,400.

- EXHIBIT "A"
SECURITY AGREEMENT
(R. DAVIS BUSINESS PARK SUBDIVISION)

THIS SECURITY AGREEMENT (R. Davis Business Park Subdivision) ("Agreement")
is made and entered into this 20th day of December, 2007, by and between Bruce L. Allen, an
individual, whose mailing address is P.O. Box 3609, Hailey, Idaho, 83333 (hereinafter referred to
as "Developer"), and the City of Hailey, Idaho, a municipal corporation, (hereinafter referred to
as "Hailey").

REcITALS

A. Developer has made an application for and received final plat approval of the R.
Davis Business Park Subdivision from Hailey thereof as set forth in the Hailey City Council's
Findings of Fact, Conclusions of Law and Decision dated October 9, 2006, and incorporated
herein by reference; and

B. Developer has requested final plat approval prior to completion of construction of
the certain improvements described on attached Exhibit "A" ("Improvements") and as a
condition thereof, Developer is required by the Hailey City council to post security therefore
consistent with the ordinances of the City of Hailey.

AGREEMENT

NOW, THEREFORE, Developer and Hailey hereby covenant and agree as follows:

1. Security. Developer, simultaneously with the execution of this Agreement,
deposits with Hailey an Irrevocable Standby Letter of Credit (Number ZSB802115) dated
December 11, 2007 ("Letter of Credit"), from Zion First National Bank, Ketchum, Idaho, whose
mailing address is 291 Washington Avenue, Ketchum, Idaho in the principal total amount
ONE HUNDRED NINE THOUSAND EIGHT HUNDRED TWENTY SIX AND 25/00
DOLLARS ($109,826.25), as security for complete performance and construction of the
Improvements upon the terms and conditions set forth herein. The Letter of Credit shall be made
solely in the name of the City of Hailey, Idaho and shall be held by Hailey in lieu of the Owner
filing or depositing other security with Hailey.

2. Time of Performance. Developer shall complete construction of the
Improvements on or before one (1) year from the date of the Letter of Credit or the amount of the
Letter of Credit shall be due and payable to Hailey up to the full amount thereof and Hailey may
draw upon the Letter of Credit as Hailey in its sole discretion determines necessary to complete
the Improvements or any portion thereof as provided in paragraph 3, below.

3. Remedies. In the event Developer fails or refuses to complete the Improvements
or any portion thereof on or before one (1) year from the date of the Letter of Credit, Hailey shall
have the right, but not the obligation, to draw the funds from the Letter of Credit and apply the
proceeds thereof to construction of the improvements or any portion thereof. In case of default
by Developer, if the total cost of construction of the Improvements is less than the amount of the
Letter of Credit, Hailey agrees to return to Developer the unused portion of the Letter of Credit funds. However, if the cost of installing or constructing the Improvements is greater than the amount of the Letter of Credit, Developer agrees to reimburse and hold harmless Hailey for any and all additional costs and expenses incurred by Hailey associated with installing and constructing the Improvements.

4. **Release.** In the event Developer completes construction of the Improvements on or before one (1) year from the date of the Letter of Credit, Hailey shall release the funds from the Letter of Credit, including any and all interest accrued, to Developer upon receiving written notice by the City Engineer that the Improvements have been installed according to applicable ordinances, regulations, plans and specifications, and that the same has been inspected and approved by the City Engineer. Developer can apply for a partial release of funds from Hailey and the Hailey City Council may so authorize release by the City Clerk of an appropriate proportion of the amount held as security upon completion of a substantial portion of the Improvements, and the inspection and approval thereof by the City Engineer. In such cases, Hailey shall retain sufficient security for completion of all the Improvements in compliance with this Agreement.

5. **Inspection Fees.** Developer is responsible for and shall pay any and all fees incurred by the City Engineer in providing services associated with the inspections necessary to confirm completion of any of all of the Improvements required.

6. **Relationship of Parties.** This Agreement is not a guarantee that any of the improvements will be constructed and does not obligate Hailey in any way to complete any of the Improvements. This Agreement is not intended nor shall it be construed as a third party beneficiary contract or creating any third party beneficiary rights.

IN WITNESS WHEREOF, the parties hereto have signed this document the day and year first written above.

AGENDA ITEM SUMMARY

DATE: 6/30/08  DEPARTMENT: Planning  DEPT. HEAD SIGNATURE: ________________

SUBJECT: 2nd Reading of Ordinance No. 1011 – Amending the Hailey Zoning Ordinance, Ordinance No. 532, changing the zoning district of Lots 11 and 12, Block 126 and the north half of the vacated Cedar Street, Hailey Townsite, from General Residential (GR) to Limited Business (LB) – Blaine County Senior Center (BCSC).

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

On June 23, 2008 the City Council held a public hearing, voted to approve Ordinance 1011 and conducted the 1st Reading. The Council moved to adopt the ordinance subject to a development agreement to restrict the uses permitted to professional offices, health care and social assistance, catering services, arts, entertainment and recreation uses (indoor and outdoor), semi public uses, government offices and public administration, except correctional institutions. In addition, no conditional uses will be permitted.

Draft 12-30-03
HAILEY ORDINANCE NO. 1011

AN ORDINANCE OF THE CITY OF HAILEY, IDAHO, AMENDING HAILEY'S ZONING ORDINANCE, ORDINANCE NO. 532, AND THE OFFICIAL ZONING MAP INCORPORATED THEREIN, BY CHANGING THE ZONING DISTRICT DESIGNATION OF THE HAILEY ZONING MAP, LOTS 11 AND 12, BLOCK 126, AND THE NORTH HALF OF VACATED CEDAR STREET, HAILEY TOWNSITE, FROM GENERAL RESIDENTIAL (GR) TO LIMITED BUSINESS (LB); PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR THE EFFECTIVE DATE OF THIS ORDINANCE UPON PASSAGE, APPROVAL AND PUBLICATION ACCORDING TO LAW.

WHEREAS, the Hailey City Council has found that the following amendment to the Hailey Official Zoning Map will generally conform to the Hailey Comprehensive Plan;

WHEREAS, the Hailey City Council has found that essential public facilities and services are available to support the full range of proposed uses without creating excessive additional requirements at public cost for the public facilities and services;

WHEREAS, the Hailey City Council has found that the proposed uses are compatible with the surrounding area; and

WHEREAS, the Hailey City Council has found that the amendment will promote the public health, safety and general welfare of the general public.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF HAILEY, IDAHO, AS FOLLOWS:

Section 1. Hailey Ordinance No. 532 and Hailey Official Zoning Map incorporated therein are hereby amended by changing the zoning district designation of Lots 11 and 12, Block 126 and the north half of vacated Cedar Street, Hailey Townsite, from General Residential (GR) to Limited Business (LB), pursuant to Idaho Code Section 67-6511A, Hailey Zoning Ordinance Section 14.8.

Section 2. Should any section or provision of this Ordinance be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the Ordinance as a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

Section 3. All City of Hailey ordinances or resolutions or parts thereof, which are in conflict herewith, are hereby repealed.

Section 4. This ordinance shall be in full force and effect from and after the required three (3) readings, approval, and publication according to law.

PASSED AND ADOPTED BY THE HAILEY CITY COUNCIL AND APPROVED BY THE MAYOR THIS ___ DAY OF ________, 2008.

Attest:

Richard L. Davis, Mayor, City of Hailey

Mary Cone, City Clerk
AGENDA ITEM SUMMARY

DATE: 06-30-08

DEPARTMENT: Planning

DEPT. HEAD SIGNATURE: 

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

The amendments define and establish standards for public safety communication equipment.

The Planning and Zoning Commission held a hearing on the proposed amendments on May 19, 2008. The Commission recommended approval of the amendments. The Council held a public hearing on June 23, 2008 and moved to approve the amendments as proposed and conducted the first reading. The Council is requested to waive the second and third readings of the ordinance in order to allow the County to submit an application for a Conditional Use Permit and Wireless Permit in order to obtain the necessary approvals to construct the radio communication tower at the Public Safety Facility.

HAILEY ORDINANCE NO. 1012

AN ORDINANCE OF THE CITY OF HAILEY, IDAHO, AMENDING HAILEY'S ZONING ORDINANCE, ORDINANCE NO. 532, BY AMENDING ARTICLE 8A, WIRELESS FACILITIES, SECTIONS 8.A.1, 8.A.2, 8.A.5 and 8.A.7, BY ADDING REQUIREMENTS FOR PUBLIC SAFETY COMMUNICATION EQUIPMENT; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR THE EFFECTIVE DATE OF THIS ORDINANCE UPON PASSAGE, APPROVAL AND PUBLICATION ACCORDING TO LAW.

WHEREAS, the Hailey City Council has found that the following amendment to the Hailey Zoning Ordinance will generally conform to the Hailey Comprehensive Plan;

WHEREAS, the amendments will not create excessive additional requirements at public cost for public facilities and services; and

WHEREAS, the amendment will be in accordance with the safety and welfare of the general public.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF HAILEY, IDAHO, AS FOLLOWS:

Section 1. Section 8A.1(b) of the Hailey Zoning Ordinance No. 532, is hereby amended by the addition of the underlined language as follows:

8. Provide necessary public safety radio communication infrastructure to ensure the health, safety and general welfare of the public.

Section 2. Section 8A.2 of the Hailey Zoning Ordinance No. 532, is hereby amended by the addition of the underlined language as follows:

Applicant. A person or entity who submits an application under this Ordinance for a PWSF or WCF Master Plan and/or a Wireless Permit and shall include both the owner of the real property upon which the PWSF or WCF is proposed for location and the owner of the proposed PWSF or WCF, which shall be a Licensed Carrier or entity operating a Public Safety Communication Center.

Licensed carrier. A company authorized by the FCC to construct and operate a wireless service or entity operating a public safety communication center. In addition, any carrier operating under the Federal Communications Commission Regulations, Part 15 (Unlicensed Carriers) is, for purposes of this Article, a “licensed carrier.” A licensed carrier must be either the applicant or the co-applicant for every PWSF or WCF application.

Public Safety Communication Equipment. Radio transmitters, antennas, mount and ancillary equipment used to receive and transmit essential public safety radio communications using VHF, UHF, 700 and 800 MHZ frequencies.

Public Safety Communication Center. A call taking and dispatch center whose primary
function is to receive and transmit public safety emergency radio and telephone communications.

Section 3. Section 8A.5.1(b) of the Hailey Zoning Ordinance No. 532, is hereby amended by the addition of the underlined language as a new subparagraph 2, as follows, and by renumbering the subsequent subparagraphs:

2. Public Safety Communication Center.

Section 4. Section 8A.5.2 of the Hailey Zoning Ordinance No. 532, is hereby amended by the addition of the underlined language as follows:

h. In the case of Public Safety Communication Equipment, existing towers or structures do not satisfy requirements for public safety communication accreditation

Section 5. Section 8A.7.2 of the Hailey Zoning Ordinance No. 532, is hereby amended by the addition of the underlined language as follows:

PWSFs or WCFs shall not exceed forty (40) feet AGL or the maximum permissible height of the zoning district where it is sited, whichever is lower, with the exception of facade and roof-attached PWSFs or WCFs or Public Safety Communication Equipment as described below:

a. Roof attached PWSFs or WCFs shall not exceed five (5) feet above the highest portion of the roof membrane, or continuous parapet wall. The antenna and support system for whip antennas shall not exceed ten (10) feet above the highest portion of that roof, including parapet walls.

b. Facade attached PWSFs or WCFs shall not exceed five (5) feet above the facade to which it is attached.

c. If the height of the building is in excess of the maximum height allowed within the zone and was legally established, then the combined height of the building and antenna shall not exceed the maximum height allowed by such approval, unless determined to be suitably camouflaged.

d. Street pole attached PWSFs or WCFs may only extend six (6) feet above the existing street pole. A maximum extension of ten (10) feet from the top of the street pole, may be permitted pursuant to standards provided in Section 8A.7.9 of this Ordinance, if a utility disturbance can be clearly demonstrated.

e. Public Safety Communication Equipment located on the same property as a Public Safety Communication Center the height of the support structure may be allowed a maximum of seventy five feet (75’) AGL.

Section 6. Section 8A.7.3(d) of the Hailey Zoning Ordinance No. 532, is hereby amended by the deletion of the stricken language and the addition of the underlined language as follows:

d. Freestanding Tower. Setbacks shall be measured from the base centerline of the tower to the property line of the parcel on which it is located. Towers shall be set back from all property lines one hundred twenty-five (125%) percent (100%) of the height of the tower as measured from ground level the base of the tower to the highest point of the tower including antennas. In addition, no buildings (other than those utilized
exclusively for the PWSF or WCF) shall be constructed within this setback to protect against damage to persons or property due to collapse of the structure and/or due to falling debris or ice from the structure;

Section 7. Section 8A.7.4(b) of the Hailey Zoning Ordinance No. 532, is hereby amended by the deletion of the stricken language and the addition of the underlined language as follows:

b. Landscaping or Screening Standards.
The following standards shall apply to all PWSFs or WCFs (if the antenna is facade or roof mounted, and other equipment is located inside the existing building, landscaping shall not be required):

1. Support structures and equipment enclosures shall be installed so as to maintain and blend with existing mature landscaping on-site, including trees, foliage and shrubs, whether or not utilized for screening;

2. Additional landscaping and screening shall be installed to visually screen the support structures and above ground equipment enclosures. Landscaping and screening shall consist of a combination of trees, foliage and shrubs of dense spacing in one of the following designs:
   (i) A screening wall or fence and a five (5) foot wide landscape planter located in front of the wall or fence;
   (ii) A ten (10) foot wide landscape planter; or
   (iii) Any combination of existing vegetation, topography, decorative walls/fences or other features instead of landscaping, if they achieve the same degree of screening as the required landscaping described above.

3. No PWSF or WCF shall be at a height (see definition) greater than ten (10) feet above the average height of the existing, mature trees located on site within the landscape screening buffer described above.

4. Where mature trees or landscaping does not exist, the appropriateness of siting support structures and equipment enclosures shall be determined by considering the context of the surrounding topography, buildings or other vertical structures.

45. Upon completion, the permittee(s) of the facility shall be jointly and severally responsible for the continued maintenance and replacement of all required landscaping and screening materials.

Section 8. Should any section or provision of this Ordinance be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the Ordinance as a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

Section 9. All City of Hailey ordinances or resolutions or parts thereof, which are in conflict herewith, are hereby repealed.

Section 10. This ordinance shall be in full force and effect from and after the required three (3) readings, approval, and publication according to law.

SUMMARY OF HAILEY ORDINANCE NO. 1012

The following is a summary of the principal provisions of Ordinance No. 1012 of the City of Hailey, Idaho, duly passed and adopted June 30, 2008, by the City Council and Mayor of the City of Hailey:

AN ORDINANCE OF THE CITY OF HAILEY, IDAHO, AMENDING HAILEY’S ZONING ORDINANCE, ORDINANCE NO. 532, BY AMENDING ARTICLE 8A, WIRELESS FACILITIES, SECTIONS 8A.1, 8A.2, 8A.5 AND 8A.7, BY ADDING REQUIREMENTS FOR PUBLIC SAFETY COMMUNICATION EQUIPMENT; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR THE EFFECTIVE DATE OF THIS ORDINANCE UPON PASSAGE, APPROVAL AND PUBLICATION ACCORDING TO LAW.

Hailey Ordinance No. 1012 amends Hailey Municipal Code, as follows:

Section 1 amends Section 8A.1(b) by adding a new subparagraph 8 to recognize public safety radio communication infrastructure ensures the health, safety and general welfare of the public.

Section 2 amends Section 8A.2 by amending definitions for Applicant and Licensed Carrier and by adding definitions for Public Safety Communication Equipment and Public Safety Communication Center.

Section 3 amends Section 8A.5.1(b) by adding Public Safety Communication Center as the second preferred siting criteria and by renumbering subparagraphs.

Section 4 amends Section 8A.5.2 by adding a provision for co-location of Public Safety Communication Equipment.

Section 5 amends Section 8A.7.2 by allowing Public Safety Communication Equipment to have a maximum height of seventy five feet above ground level.

Section 6 amends Section 8A.7.3 (d) by amending the setback provisions for freestanding towers to one hundred percent of the height of the tower.

Section 7 amends Section 8A.7.4(b) by amending landscape and screening standards to consider topography, buildings and other vertical structures when siting support structures and equipment enclosures.

Section 8 provides for a severability clause.

Section 9 provides for a repealer clause.

Section 10 provides for an effective date of the ordinance.
The full text of Ordinance No. 1012 is available at Hailey City Hall at 115 South Main Street, Suite H, Hailey, Idaho 83333 and will be provided to any citizen upon request during regular business hours.

CERTIFICATION OF CITY ATTORNEY

I, the undersigned Attorney at Law, as attorney for the City of Hailey, Idaho, hereby certify that I have read the foregoing summary of Ordinance No. 1012 of the City of Hailey, that I have compared it to the full text of Ordinance No. 1012, and that in my opinion, the above summary is true and complete and provides adequate notice to the public of the contents of said Ordinance.

Dated this 30th day of June, 2008.
