AGENDA ITEM SUMMARY

DATE: 8/18/08   DEPARTMENT:  Engr   DEPT. HEAD SIGNATURE:  

SUBJECT: Authorize the Mayor to sign the Idaho Power work order agreement for moving the street light at 2nd & Croy to the NE corner.

AUTHORITY: ☐ ID Code _______ ☐ IAR _______ ☐ City Ordinance/Code _______  
(IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

The infrastructure work along 2nd Ave requires moving the 2 street light poles at 2nd & Bullion and 2nd & Croy to the east side of the street. The 2nd & Bullion pole will remain as an overhead service and therefore ID Power is bearing that cost. Due to design considerations the 2nd & Croy light needs to be changed to underground service. City crews will perform a part of this work but some costs to ID Power are to be paid by the City.

WORK ORDER #       27289661        Date August 6, 2008

In accordance with your request:  URD SECONDARY TO STREET LIGHT
#970 LOCATED AT CROY AND 2ND

Line Location:       Croy And 2Nd St, Hly

Cost of project       $ 2,126.00
Less allowance        $ 1,280.00
Plus Unusual Cond.
Engineering fees
Plus Misc. charges

Amount to be paid and received prior to job being scheduled
for construction:  Quote good for sixty days (60) days.

$ 846.00

Please remit payment.

Please return signed and dated Service Request
and Customer Cost document (attached).

Please return signed and dated Work Order Map.

IDAHO POWER CO. WORK ORDER M:5 SCALE: 1" = 100
Memorandum of Agreement

Project Name: Street Light 970

Work Order No.: 27289661

The purpose of this Memorandum of Agreement (hereinafter "Agreement") is to set out in writing certain agreements between Idaho Power Company and (Developer) hereinafter referred to as Developer, regarding the Developer's performing a portion of the construction work required as a part of Idaho Power Company's Work Order No: CITY OF HAILEY 27289661 for the (Name of Work Order)

Developer understands and specifically agrees to the following:

1 The Developer will perform the following "work": (type of work)

   PROVIDE EXCAVATION FOR SECONDARY TRENCH AT 32" IN DEPTH, ALL BACKFILL AND COMPACTION

2 The area where this "work" will be performed is marked on the Work Order map which is attached hereto and is referred to as the Developer's Work Area.

3 The above described "work" shall be performed under the direction and control of Developer who shall be acting as an independent contractor and not as an agent or employee of Idaho Power Company.

4 Developer specifically agrees to assume liability for any and all injury, disability and/or death of any workman or other person as well as any personal injury or property damage of any type resulting from or arising out of the performance of the above described "work." Developer further specifically agrees to indemnify, hold harmless and provide a full defense for Idaho Power Company, its representatives, agents, employees, officers, directors, and all other persons, associations, affiliates or corporations acting for, by or through, or in any way on behalf of Idaho Power Company from any claims, demands, actions, suits, losses, expenses or penalties of any kind or nature arising out of or by reason of the performance of the above described "work" by Developer. Additionally, in the event any such action or claim of any type is filed against Idaho Power Company as hereinbefore described, Idaho Power Company may, at its option, undertake its own defense, and Developer agrees to pay all costs, expenses and attorney fees associated with such defense.

5 Developer specifically agrees that all "work" performed by Developer under this Agreement shall be conducted in a safe manner. Developer agrees to continuously maintain proper and adequate barriers and marking around the entire "work" areas, including but not limited to trenches, to ensure the safety of Developer's workers, Idaho Power Company personnel and the public.
6 Idaho Power Company shall, at all times, retain authority to inspect, but is not required to inspect, any and all aspects of the above described "work." Developer acknowledges that he has full responsibility to ensure that the "work" is performed properly and meets the requirements, codes and specifications of all relevant authorities or regulatory bodies, including but not limited to OSHA Safety and Health Regulations, and the following specifications of Idaho Power Company:

(Company Work Specifications)

PROVIDE ALL SECONDARY TRENCH AT 32" IN DEPTH. SEE ATTACHED TRENCHING SPECIFICATIONS 64-04-01 THROUGH 64-04-06 FROM IDAHO POWER UNDERGROUND DISTRIBUTION MANUAL.

7 Developer acknowledges his full and continuing responsibility to use sound engineering judgment in all aspects of the performance of the above described "work." In addition, Developer agrees that at any time during the progress of said "work" and at Idaho Power Company's option, Idaho Power Company may order that any work deemed to be unsatisfactory after inspection shall be redone at Developer's expense.

8 Developer will receive credit on the Work Order in the amount of $1,280.00 as a contribution in aid of construction for the "work" performed under this Agreement.

9 Idaho Power Company will install all cables, transformers and pads.

10 Except for the "work" described in Paragraphs 1 and 2 above, all the work to be performed under this Work Order and all work performed outside the Designated Developer Work Area will be performed by Idaho Power Company or its contractor.

11 All questions that arise in regard to work to be performed under this Agreement which require a response by Developer will be directed to TOM HELLEN, CITY OF HAILEY

115 S MAIN ST, HAILEY

788-9430

12 This Agreement and all of the work required to be performed under the Work Order described above is subject to all applicable schedules and tariffs approved and filed with the Idaho Public Utilities Commission.

The above Memorandum of Agreement, read and understood and agreed to this day of

Bob Rubel
Idaho Power Representative
Trenching Installation

Call Dig Line for Locations

You must call Dig-Line for locations at least 48 hours before starting any excavation if there may be other utilities in the work area.

- In Idaho:
  342-1585
  (800) 342-1585

- In Oregon:
  (800) 332-2344

When excavating on private property, contact the property owner or other responsible party to see if there are any obstacles such as septic tanks, drain fields, irrigation pipe, or electrical wiring in the work area.

Determine the Finished Grade

In order to maintain the proper burial depth, the finished grade must be established before beginning any excavation. In most projects, the finished grade has already been determined by a surveyor and indicated on stakes located near the property pins. In other cases, a responsible party must come out and establish the finished grade.

Basic Trench Design

The following are the specified burial depths for electrical cables measured to the top of the cable or conduit. The trench must be deeper than the burial depth to allow for the diameter of the conduit or cable.

<table>
<thead>
<tr>
<th>Voltage</th>
<th>Direct Buried or in Conduit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Up to 600 V</td>
<td>30&quot; (+/- 6&quot;)</td>
</tr>
<tr>
<td>601 V to 35-kV</td>
<td>42&quot; (+/- 6&quot;)</td>
</tr>
</tbody>
</table>

**NOTE.** Most roadways require at least 30" burial depth.

Don't trench without first establishing the finished grade. Facilities that are not installed in their proper location may have to be relocated later.
Trenching

Mark out the trench route with white marking paint (Cat. ID 6641) to help the operator get a visual idea of where the trench is going and what obstructions, if any, are in the area. This also helps keep the trench as straight as possible. Authorization for any route modifications should be obtained at this time. Particular attention should be made to any survey stakes or property pins that could be disturbed if the trench is too close.

Before beginning any trenching, make sure proper precautions have been taken and that safety equipment is available to protect employees and the public from injury. Trenches dug in unstable or disturbed soil will likely have unstable sides and may cave in. Even though the trench is less than 4 feet deep, shoring may still be necessary in these conditions. See Section 77, Methods, for more information on shoring.

Dig the trench to the appropriate depth, leveling the bottom of the trench as a base for the conduit or cable.

Trench Barricades

When a 30" trench branches off of a 42" trench, gradually taper the bottom of the trench up to 30". The length of the taper will vary with the size of the conduit being installed. Avoid putting too much bending stress on the cable or conduit since they could be damaged during backfilling.

Whenever possible, work should be planned so that trenches or excavations can be filled at the end of the work period. Cable markers can be used to mark the ends of the conduit. Where excavations must be left overnight, lighted barricades and reflective cones or signs shall be used when near roadways. The use of orange plastic fencing around the excavation, or solid sheeting over the excavation is also recommended for pedestrian protection. (Refer to Section 119 in the Tools Manual for more information.)

Examples of Barricade Materials
Trench Spoils

Keep trench spoils at least 2' from the edge of the trench and any property pins or permanent markers. Also, they should be kept clear of the roadway or other access areas whenever possible. Any spoils or debris that are to be removed from the site should be hauled away each day and disposed of in accordance with all applicable regulations.

Placement of Trench Spoils

Shading and Backfilling

Shade the conduit with enough 2" select backfill material to provide a 6" covering. This helps protect the conduit from being damaged during the compaction process.

Direct-buried cable should be shaded with 6" of sand.

Separations

Refer to Section 53 — Clearances for minimum separation requirements between electrical cables and other facilities.

After shading, backfill the rest of the trench with 6" select backfill material. Don't put rubbish, wood, ice, etc. in the trench.
Buried Cable Warning Tape

Most installations do not have buried cable warning tape installed. We rely on “Dig-Line” and other locating practices to prevent most dig-ins from occurring. Standardized facility placement also reduces these conflicts. Warning tape can be installed in the following situations:

♦ In large commercial projects with extended construction times.
♦ Where other utility locations create conflict.
♦ Anywhere there is a higher than normal probability of a dig-in.

To install the tape, backfill the trench to within 12" of the finished grade. Lay the warning tape (Cat. ID 5757) along the trench, and finish backfilling. The marking tape location gives the excavator ample warning that he is working in an existing trench, before he actually digs into our facilities.

When using a cable plow, it must have a chute that can be adjusted so that the warning tape will be installed 12" below the finished grade.

NOTE. Buried cable warning tape, permanent post markers, and cable route markers are often required in special right-of-way applications. Their installation is addressed in Section 64-07, Special Rights-of-Way.

Compaction

Standard Compaction. Compact all areas of backfill to prevent future settling. Standard compaction is adequate for most sites where some settling is permissible. Other areas are more sensitive to settling and may require high compaction.

For standard compaction, backfill with native soil and wheel-roll the trench (see the illustration on the next page). Standard compaction achieves about an 80% compaction rate, but this is highly dependent on soil conditions. Two of the major factors affecting soil conditions are the type of soil and the amount of moisture in the soil.

Most soil types can be used for standard compaction. However, loamy soil may be inadequate. If so, it should be hauled off and replaced with an imported material such as 3/4" road mix. If the backfill is in a landscape area, the native soil can be used for the top 12" of backfilled area to allow it to be consistent with the surrounding areas.
Moisture is the largest variable in the obtainable rate of compaction. Moist soils compact better than dry soils. Adding some water to the backfill material may be all that is needed to achieve the desired compaction. However, too much moisture can reduce the obtainable compaction.

**High Compaction.** High compaction (usually referred to as 95% compaction) is required in certain rights-of-way and recommended when:

- The trench is or will be under paved surfaces (such as roadways, alleys, parking lots, and sidewalks), or
- When high compaction is specified or required by the grantor of the right-of-way.

For high compaction, backfill with 3/4" road mix, pit run, or sand in 12" lifts, compacting each lift with a wacker or other similar compaction device. Sometimes, compaction can be obtained in larger lifts when bigger compaction equipment (such as a hydrohammer) is used.

Higher compaction rates may be obtainable by using shallower lifts. Adding water may also help.

Here is a simple test to determine whether the soil has a proper amount of moisture for compaction. This test does not work well if the soil has a large amount of sand or gravel.

Squeeze a handful of the soil into a tennis ball sized clump and drop it from 12" above the ground:

- If it has proper moisture content, the ball will break into a few evenly sized fragments.
- If the soil is too dry, it won’t form into a ball.
- If the soil is too wet, the clump won’t break apart when dropped.
Avoid over-compacting the backfill. Once the maximum attainable compaction for the material being used is achieved, additional compaction only tends to break the compacted soil apart, like a hammer hitting concrete. It also is hard on the compaction equipment.

Native soil is not recommended as backfill material when high compaction is required.

**Pavement Replacement**

Paving that must be replaced or repaired is best left to the professionals. Backfill the trench, compacting as specified, leaving the backfill 6" from the top of the surrounding paving. Fill the remainder with 3/4" road mix as a temporary fill material and arrange for the paving to be replaced.

The paving contractor will likely remove the temporary patch and enough paving on each side of the trench to make a permanent repair meeting the applicable specifications. Usually, weather conditions determine when the permanent repairs are made.

**Concrete Encasing**

Encasing conduit in concrete provides the maximum level of protection to the conduit and cable. Most applications involve feeder getaway cables and are designed by the Substation Design Group. Contact Methods & Materials for help with concrete encased designs for distribution cables. Refer to Section 62-05, *Conduit* for more information.

**Concrete Cap**

A concrete cap can be specified when additional protection is required over a portion of a cable run and concrete encasing is not necessary.

After the cable or conduit is installed at the proper depth and shaded with 6" of suitable backfill material, a 2" thick layer of concrete is poured. Ready-mix concrete can be used, or a sand slurry can be mixed in the field. Use one part concrete to five parts sand with just enough water to make the mixture pourable.
AGENDA ITEM SUMMARY

DATE: 8/18/08 DEPARTMENT: Engr DEPT. HEAD SIGNATURE: 

SUBJECT: Authorize the Mayor to sign two IDWR Permit Applications for Indian Creek winter water rights

AUTHORITY: ☐ ID Code ☐ IAR ☐ City Ordinance/Code (IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

As was briefly discussed at the 8/11 council meeting we have two permit applications for appropriating the Indian Creek winter water for recharge purposes. The advice of counsel is to file both applications; one asking for credit and one not.

Re: Hailey, City of - Indian Creek Objection

Dear Tom:

Enclosed please find the two separate applications we discussed today on the phone. Also enclosed are the filing fee checks. Please get them signed and forwarded to IDWR as soon as possible.

Thank you.

Sincerely,

Patrick D. Brown

STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES
APPLICATION FOR PERMIT
To appropriate the public waters of the State of Idaho

1. Name of Applicant: City of Hailey
   Mailing address: 115 S. Main St. #H, Hailey, Idaho 83333
   Phone: 208-789-4221

2. Source of water supply: Indian Creek, which is a tributary of Big Wood River

3. Location of point of diversion is:
   Township 2N, Range 18E, Sec. 4, in the NW & NE ¼,
   NE ¼, NW ¼, Govt. Lot, B.M., Blaine County;

4. Water will be used for the following purposes:
   Amount 6.0 cfs for groundwater recharge purposes from 10/01 to 5/01 (both dates inclusive)
   (cfs or acre-feet per year)

5. Total quantity to be appropriated is (a) 6 cfs and/or (b) acre feet per year
   cubic feet per second

6. Proposed diverting works:
   a. Describe type and size of devices used to divert water from the source
      from stream to a "dry well", which
      will be engineered to recharge as the current system is inadequate.

   b. Height of storage dam feet; active reservoir capacity acre-feet;
      total reservoir capacity acre-feet

   c. Proposed well diameter is inches; proposed depth of well is feet
      to be engineered

   d. Is groundwater with a temperature of greater than 85°F being sought?

   e. If well is already drilled, when? ; Drilling firm
      Well was drilled for (well owner) ; Drilling Permit No.

7. Time required for completion of works and application of water to proposed beneficial use is 2 years (minimum 1 year)

8. Description of proposed uses (if irrigation only, go to item 9):
   a. Hydropower; show total feet of head and proposed capacity in kW.
   b. Stockwatering; list number and kind of livestock.
   c. Municipal; show name of municipality. City of Hailey
   d. Domestic; show number of households.
   e. Other; describe fully.

CREDIT
FOR CITY
WELLS
9. Description of place of use:
   a. If water is for irrigation, indicate acreage in each subdivision in the tabulation below.
   b. If water is used for other purposes, place a symbol of the use (example: D for Domestic) in the corresponding place of use below. See instructions for standard symbols.

NOTE TO POINT OF INJECTION INTO GROUNDWATER IS AT THE SAME PLACE A POINT OF DIVERSION, ABOVE.

Total number of acres to be irrigated: __________

10. Describe any other water rights used for the same purposes as described above. Include water delivered by a municipality, canal company, or irrigation district. If this application is for domestic purposes, do you intend to use this water, water from another source, or both, to irrigate your lawn, garden, and/or landscaping? n/a

11. a. Who owns the property at the point of diversion? Idaho Department of Transportation
    b. Who owns the land to be irrigated or place of use? same
    c. If the property is owned by a person other than the applicant, describe the arrangement enabling the applicant to make this filing: Currently communicating with ITD and Blaine County to obtain a permit for the project.

12. Describe your proposal in narrative form, and provide additional explanation for any of the items above. Attach additional pages if necessary. Current system does not provide adequate recharge in the winter. The City is working with concerned parties to reconstruct system for recharge and maintain it. The City seeks credit for recharge achieved in relation to its use of municipal wells, thru this application and hereby petitions for a processing exemption from moratorium, because the beneficial nature of the project replenishes the groundwater and makes additional groundwater available for use through the City's wells.

13. MAP OF PROPOSED PROJECT REQUIRED - Attach an 8½"x11" map clearly identifying the proposed point of diversion, place of use, section #, township & range. (A photocopy of a USGS 7.5 minute topographic quadrangle map is preferred.)

BE IT KNOWN that the undersigned hereby makes this application for permit to appropriate the public waters of the State of Idaho as herein set forth.

PART A

The proposed construction project did not require the acquisition of additional real property rights.

☒ Check here if Part A pertains, then skip to Part C below and complete date and signature area of form.
(If Part A is not applicable, please complete Parts B and C below.)

PART B

The proposed construction project required the acquisition of additional real property rights. There were _______ ownerships involved and _______ relocations of persons as a result of said acquisitions.

I hereby certify that all acquisitions and relocations, if any, were performed in accordance with our assurances to comply with state and federal laws and regulations related to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and amendments thereto.

It is further certified that in all cases where the real property rights were obtained through donation, that the property owner(s) was fully informed of the right to receive just compensation and the owner has released our agency from its obligation to appraise the property in the event that the estimated value may exceed $2,500.00.

PART C

☒ Check here if there is no utility involvement on this project.
☐ Check here if arrangements have been made to coordinate the relocation of any/all utility facilities.

FOLLOW-UP REMARKS:
DECISION

Based on the Application for a Special Event Permit for the WRHS Homecoming Parade, the City of Hailey, pursuant to Chapter 12.14 of the Hailey Municipal Code, approves the Application and grants the Special Event Permit, subject to the following conditions:

Standard Conditions

a. The Applicant shall comply with the terms, plans, covenants and provisions of the Application, as approved or as modified by the City of Hailey.

b. The Applicant shall comply with all applicable local, state and federal laws, regulations and ordinances before, during and after the Special Event(s).

c. The Applicant shall execute an agreement, relating to the reimbursement of expenses, indemnification and other provisions immediately upon the approval of the application for the Special Events Permit.

d. In the event the Applicant fails to comply with all the conditions set forth herein, the City may revoke the Special Events Permit, in whole or in part.

e. The Applicant shall maintain in full force and effect general liability coverage during the Special Event(s) in the amount of $1,000,000, with the City of Hailey as an additional named insured.

Other Condition

a. ITD Special Events Permit needs to be approved by ITD.

DATED this 25th day of August, 2008.

CITY OF HAILEY

By: ___________________________
    Rick Davis, its Mayor

ATTEST:

Mary Cone, its City Clerk
AGREEMENT

In consideration of the granting of a special event permit by the City of Hailey ("the City") for the WRHS Homecoming Parade that will occur on September 26, 2008 from 3:00 p.m. to 3:30 p.m., plus specified set up and teardown time, ("the Event"), and pursuant to Section 12.14 of the Hailey Municipal Code, the undersigned, as the applicant ("Applicant") of a Special Event Permit from the City for the Event, does hereby agree to reimburse the City for any costs incurred by the City in repairing damage or providing any services or materials resulting from the Event. The Applicant agrees that such costs may be deducted from a non-refundable security deposit or additional deposit as established by the City, and that if costs exceed any deposit made by the applicant, further reimbursement will be made to the City upon demand. The Applicant hereby agrees to indemnify, defend and hold harmless the City and its officers and employees, in their official and individual capacities, from any and all claims, demands, obligations, liabilities, lawsuits, judgments, attorneys’ fees, costs, expenses and damages of any nature caused by or arising out of, or connected with the Event. In the event either party hereto is required to retain counsel to enforce a provision of this Agreement, or to recover damages resulting from a breach hereof, the prevailing party shall be entitled to recover from the other party all reasonable attorney’s fees incurred herein or on appeal, or in bankruptcy proceedings. The Applicant agrees to comply with all the laws and ordinances of the City of Hailey, Idaho applicable to the subject matter thereof, and to conduct the Event in accordance with the terms and provisions of the application for a Special Event Permit, as approved or as modified by the City, and all conditions of the Special Event Permit. The Applicant agrees that the Special Event Permit is nontransferable and shall be conducted only for the dates and locations as approved by the City.

IN WITNESS WHEREOF, Applicant and the City have executed this Agreement on this 25th day of August, 2008.

Wood River High School Homecoming Parade 2008
Theme – “Be A FAN”

WRHS parade contact – Jeannie Bradshaw 788-4459 (after June 24)
Lindi Davis 720-8549, Geraldine Maniere 720-7925 (before June 24)

Description

WRHS is sponsoring a Homecoming Parade for the community on Friday of Homecoming Week, September 26, 2008. The parade time is set to start at 3:00 pm so that all elementary schools are out and able to attend. The parade will run on Main Street and will be southbound. The goal is to have at least 20 entries. An entry and transportation will consist of decorated trucks, trailers, classic cars, walkers, bicycles, and skaters. Entries will be sought from WRHS sports teams, clubs, academic departments, royalty, music and performing arts groups, the WRHS Booster Club and WRHS Alumni.

The parade and all Homecoming Week festivities will be promoted in the Wood River Valley community, including businesses and schools to enhance attendance to all events. A community wide tailgate BBQ sponsored by the PTSA will held at the field at 5:00 following the parade. The Homecoming Football game begins at 7:00.

Note: No motorcycles, 3 or 4 wheelers, dirtbikes, or ATVs will be allowed.

Agenda

WRHS – early out 1:30

1:30 – 2:30 prepare floats and transport to lineup area
   Non-participating students move to Main Street to watch parade
2:30 Line up on River Street facing North for Spruce Street entry onto Main
3:00 Parade begins
3:45 Parade ends
4:00 Disassemble floats and clean up

Route (see map)

Spruce Street to Elm Street Southbound
Lineup on River Street facing North
Turn right on Spruce (east)
Turn right (South) onto Main
Exit left (east) onto Elm Street
Back to WRHS through Deerfield

Main Street traffic will be rerouted Southbound on River and Northbound on 3rd or 4th Ave for 9 blocks. All WRHS staff members (90) will be released to help out. Volunteers are available to stand at each intersection on both sides of Main Street to prevent non-parade traffic from entering during the parade.
AGREEMENT FOR A SPECIAL EVENT ON STATE HIGHWAYS

THIS AGREEMENT, made and entered into this ______ day of July, ______, by and between the Idaho Transportation Department, hereafter called the "Department," and [Name of Sponsor], whose address is: [Address], and phone number is: [Phone Number], hereafter called the "Sponsor," and as used herein denotes singular or plural thereof.

WHEREAS, the Sponsor proposes to conduct a [Event Description] event called the [Event Name], located in [County and/or City], on [Highway Name or Designation] from Milepost ______ to Milepost ______ on the following date(s) ______, and

WHEREAS, authority for this Agreement is established by Section 40-310, Idaho Code, and the parties do hereby mutually agree as follows:

SECTION I: THE SPONSOR SHALL:

Prior to completion of this agreement:
Obtain approval from pertinent Law Enforcement Agencies for the specific event and forward the letters of approval to the Department.

Contact the appropriate District or Headquarters Traffic section for further assistance in determining the minimum insurance coverage required for all events.

Evidence Of Insurance.

All insurers shall have a Best's rating of AV or better and be licensed and admitted in Idaho. Prior to use of state highways, Sponsor shall furnish the State of Idaho with a certificate of insurance executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth below. All policies required shall be written as primary policies and not as contributing or excess coverage to any coverage the State of Idaho may choose to maintain. The policies shall cover any claims that may arise out of, or result from the Sponsor's operations under the Agreement, whether such operation be by itself or by any Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone including event participants, for whose acts any of them may be liable.

- All certificates shall provide for (30) day's written notice to the State of Idaho prior to cancellation or material change of any insurance referred to therein.
• All policies, except Workers compensation, shall name the State of Idaho, Idaho Department of Transportation as additional insured.
• All policies shall contain waiver of subrogation against the State of Idaho.
• Failure of the State of Idaho to demand such certificate or other evidence of full compliance with these insurance requirements or failure of the State of Idaho to identify a deficiency from evidence that is provided shall not be construed as a waiver of Sponsor’s obligation to maintain such insurance.
• Failure to maintain the required insurance may result in termination of this contract at the State of Idaho’s option.

Independent Contractor Status

The service or services to be rendered under this contract are those of an independent contractor. (Insert Organization name; i.e. XYZ, Inc.,DBA XYZ Sports) as sponsor is not an officer, employee or agent of the State as those terms are used in the Idaho Statutes 6-902, et al.

Indemnification

(Insert Organization name: i.e. XYZ, Inc.,DBA XYZ Sports) shall indemnify, defend and hold harmless the State of Idaho and the Idaho Transportation Department, and its officers, employees and agents from and against any liability, claims, damages, losses, expenses or actions, including reasonable attorney’s fees, costs caused by or arising out of or relating to the activities of (insert Organization name, i.e. XYZ Sports) or its officers, employees, subcontractors, or agents under the (insert name of agreement; i.e. XYZ Classic Bike Race) Agreement, or arising from (insert name of organization; i.e. XYZ Sports), it’s officers, employees, subcontractors, or agents failure to comply with any applicable state, federal, local, law, statute, rule, regulation or act. This duty to indemnify, defend and hold harmless shall encompass any claims which include or allege negligence of (insert name of organization; i.e. XYZ Sports), its agents, officers, volunteers or employees other than claims which arise solely out of the negligence on the part of the State of Idaho, and this duty shall survive the termination or expiration of this Agreement.

Required Insurance Coverage

(Insert organization name; i.e. XYZ Sports) shall obtain and keep in force during the term of this contract, insurance of the types and in the amounts described below.

• Commercial General and Umbrella Liability Insurance. (Insert organization name; i.e. XYZ Sports) shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than $1,000,000 each occurrence in the aggregate. If such CGL insurance contains a general aggregate limit, it shall apply separately to this Agreement and shall not be less than $1,000,000.

• Automobile Liability Insurance, if applicable, covering owned or non-owned vehicles. Combined single limit per occurrence shall not be less than $1,000,000.

• Workers’ Compensation. Where required by law, sponsor shall maintain all statutorily required coverage including Employer’s Liability at minimum limits of $100,000/$500,000/$100,000.

No Representation of Coverage Adequacy.

By requiring insurance herein, the State of Idaho does not represent that coverage and limits will
necessarily be adequate to protect Sponsor, and such coverage and limits shall not be deemed as a limitation on sponsor's liability under the indemnities granted to the State of Idaho in this contract.

Release the State from Liability

The Sponsor will have all participants sign a general "release from liability" form. If the Sponsor does not wish to use an individual general release form, a hold-harmless clause must be attached to this agreement.

All participants, support personnel and media personnel must conform to the rules set forth in Administrative Policy A-12-02, "Special Events on State Highways."

Exemptions -- Insurance Requirements

If the all parties to this agreement are agencies of the State of Idaho insured through the Department of Administration, Office of Insurance Management (Risk Management), the sponsoring state agency shall be exempt from the insurance and indemnity requirements of Section I. The exemption shall cease immediately in the event the sponsoring state agency ceases to be insured through the State of Idaho, Department of Administration, Office of Insurance Management.

File a Traffic Control Plan

The Sponsor must submit a traffic control plan to the Department for approval at least twenty (20) working days in advance of the event date(s). Events that delay traffic longer than 15 minutes are required to develop a detour route. The Traffic Control Plan should indicate positive traffic control at the beginning of the detour, a safe two-way traffic route designed to accommodate commercial truck traffic, and clearly defined turns in the detour. Signing, flagging, and all traffic control devices where required, shall be installed, operated and maintained in conformance with the latest edition of the Manual on Uniform Traffic Control Devices.

Traffic control devices (signs, barricades, cones, tubular markers, drums, flagger paddles, etc.) shall be the responsibility of the Sponsor. When directed by the District Engineer, signing and traffic control for high volume, high-speed event sites shall be done by or under the supervision of law enforcement officers that are certified in or recognized by the State of Idaho. If requested by the Department, the Sponsor will meet with cities, law enforcement agencies and the Idaho Transportation Department at _________ on ___________ (at least a week prior to the event) for a traffic control briefing.

Appoint a "Liaison" Officer

Herein named ____________________________

name

115 Main St S

address

208-809-1365

phone

The Liaison Officer shall report regularly to the District or the Headquarters' Traffic Section, as appropriate, and shall be readily available to ensure clear communication and appropriate coordination between the Department and the event Sponsor.

During the course of any special event no set of guidelines can anticipate all situations that may arise. If it becomes necessary to adapt the Department's requirements to specific problem areas, the Sponsor shall attempt
to notify the Department immediately and make any necessary modifications within the guidelines of the Special Events policy and the Manual on Uniform Traffic Control Devices.

SECTION II: THE DEPARTMENT SHALL:

Prior to completion of this agreement:

Approve the Traffic Control Plan or notify the Sponsor of any traffic control plan deficiencies as soon as possible.

Approve the Insurance policy requirements or notify the Sponsor of any deficiencies as soon as possible.

If an event is not approved, the Sponsor shall be notified, as soon as possible, so alternate plans can be made.

If there is reason to believe an illegal (non-approved) event will be held, law enforcement agencies with jurisdiction in the area of the special event shall be advised in writing by the Department to document notification.

Grant Written Permission.

Herein signified by completion of this agreement, after the Department is satisfied that all interested parties are best served.

The District Engineer shall approve intra-district events and the Assistant Chief Engineer (Operations) shall approve inter-district events. The Overlegal Permits Section will be notified by the issuing Department of approved events to determine if event vehicles need a Special Permit. Pertinent law enforcement agencies should also be notified of all approved events.

In agreement of the afore-mentioned requirements, we, the Sponsor, shall comply.

RECOMMENDATION FROM APPLICABLE DEPARTMENT HEAD:

Department Heads approved with the following conditions:

- A mapped layout of park set-up; stage, tents, bouncy house.
- Applicant will be responsible for repair of any turf and/or sprinkler damage.
- Any special power requirements will need to be approved. Only City approved electricians will be allowed in the power boxes.
- Dumpsters or trash receptacles will need to be provided.
- Declaration of Insurance coverage needs to be submitted.
- Applicant will need to coordinate special needs through the Public Works Director.
- Porta Potties are needed, at least 2 with one ADA accessible
- Applicant is reminded that they are responsible for providing the necessary cones and barricades for traffic control.
- List of contact cell phone numbers for that day will need to be provided.
- Signs and Banners may not be displayed more than 72 hours without a permit
- A meeting with Parks Dept personnel is required.

FOLLOW-UP REMARKS:
DECISION

Based on the Application for a Special Event Permit for the 2 Day Tool Sale, the City of Hailey, pursuant to Chapter 12.14 of the Hailey Municipal Code, approves the Application and grants the Special Event Permit, subject to the following conditions:

Standard Conditions

a. The Applicant shall comply with the terms, plans, covenants and provisions of the Application, as approved or as modified by the City of Hailey.

b. The Applicant shall comply with all applicable local, state and federal laws, regulations and ordinances before, during and after the Special Event(s).

c. The Applicant shall execute an agreement, relating to the reimbursement of expenses, indemnification and other provisions immediately upon the approval of the application for the Special Events Permit.

d. In the event the Applicant fails to comply with all the conditions set forth herein, the City may revoke the Special Events Permit, in whole or in part.

Other Condition

a. A mapped layout of park set-up; stage, tents, bouncy house.

b. Applicant will be responsible for repair of any turf and/or sprinkler damage.

c. Any special power requirements will need to be approved. Only City approved electricians will be allowed in the power boxes.

d. Dumpsters or trash receptacles will need to be provided.

e. Declaration of Insurance coverage needs to be submitted.

f. Applicant will need to coordinate special needs through the Public Works Director.

g. Porta Potties are needed, at least 2 with one ADA accessible

h. Applicant is reminded that they are responsible for providing the necessary cones and barricades for traffic control.

i. List of contact cell phone numbers for that day will need to be provided.

j. Signs and Banners may not be displayed more than 72 hours without a permit

k. A meeting with Parks Dept personnel is required.

DATED this 25th day of August, 2008.

Mary Cone, its City Clerk

CITY OF HAILEY • 115 MAIN ST. S., SUITE H • HAILEY, IDAHO 83333 • 788-4221
AGREEMENT

In consideration of the granting of a special event permit by the City of Hailey ("the City") for the First Annual Croy Fun Run and Rotarun Concert that will occur September 07, 2008 from 9:00 a.m. to 8:30 p.m., plus specified set up and teardown time, ("the Event"), and pursuant to Section 12.14 of the Hailey Municipal Code, the undersigned, as the applicant ("Applicant") of a Special Event Permit from the City for the Event, does hereby agree to reimburse the City for any costs incurred by the City in repairing damage or providing any services or materials resulting from the Event. The Applicant agrees that such costs may be deducted from a non-refundable security deposit or additional deposit as established by the City, and that if costs exceed any deposit made by the applicant, further reimbursement will be made to the City upon demand. The Applicant hereby agrees to indemnify, defend and hold harmless the City and its officers and employees, in their official and individual capacities, from any and all claims, demands, obligations, liabilities, lawsuits, judgments, attorneys’ fees, costs, expenses and damages of any nature caused by or arising out of, or connected with the Event. In the event either party hereto is required to retain counsel to enforce a provision of this Agreement, or to recover damages resulting from a breach hereof, the prevailing party shall be entitled to recover from the other party all reasonable attorney’s fees incurred herein or on appeal, or in bankruptcy proceedings. The Applicant agrees to comply with all the laws and ordinances of the City of Hailey, Idaho applicable to the subject matter thereof, and to conduct the Event in accordance with the terms and provisions of the application for a Special Event Permit, as approved or as modified by the City, and all conditions of the Special Event Permit. The Applicant agrees that the Special Event Permit is nontransferable and shall be conducted only for the dates and locations as approved by the City.

IN WITNESS WHEREOF, Applicant and the City have executed this Agreement on this 25th day of August, 2008.

I hereby certify that I have read and will abide by the laws, rules and regulations set forth by the City of Hailey, Blaine County, and the State of Idaho, and in signing this application, I hereby agree that I and the organization I represent, shall hold the City of Hailey and all of its agents or employees free and blameless from any claim, liability or damage which may arise from use of City facilities or equipment, whether or not the City of Hailey, its agents or employees are jointly negligent. I further agree to promptly reimburse the City of Hailey and all of its agents for any clean up loss or damage to City property resulting from this use, as well as permitting, staffing, equipment use/rental, property use/rental, clean up, inspections involving the use of public property, public employees or public equipment for the Special Event. In the event the deposit exceeds the actual charges, the City Clerk shall refund the balance to the applicant.

Event Organizer’s Signature: ____________________________ Date: 7/18/2008
Dear Hailey Chamber of Commerce,

I am writing to ask that the Hailey Chamber please consider Rotarun's first annual Croy Fun Run and concert as a Chamber sanctioned event. Below is a brief description of our event for September 6th:

**First Annual Croy Fun Run**
- The Fun Run is open to all ages and will begin at the base of Rotarun (we aren't sure if we are having it start on the BMX portion or the ski hill side).
- Start time will be at 9 or 10 a.m. we haven't decided which.
- The runners will register for the Fun Run and sign the necessary release forms. Rotarun will provide gatorade and water. The runners/walkers will then run over Rotarun to the main road and into Hailey.
- The finish line for the race will be at the entrance to Hop Porter Park under the arches.

**Logistics of the Race:**
- We will need a lead car and a follower behind all the racers for safety reasons, we have two volunteers for the task from the Rotarun Board of Directors. I plan on asking a friend of mine with the police department, Jameson Sharp, if he'd be will to help "police" the Fun Run or possibly use a police vehicle as the lead car for the runners. I'm not sure if Hailey PD can assist with this or if I need to talk to someone from the Sheriff's department, I intend of finding out this upcoming week.
- First Aid - I am a certified first responder (Sarah Busdon) and plan on providing first aid for the Fun Run along with two other fellow certified first aid ski patrollers.
- Food/Drinks - I mentioned above that Rotarun will provide gatorade and water, there will be no food for the Fun Run.
- We feel that we do not need to have any road closures, if we have a lead car and some volunteers on the road with "caution runners ahead" signs, we're hoping that will be sufficient for the needs of the event.
- Entry fees for runners will more than likely be $10.00 for adults and $5.00 for children 12 and under. Rotarun prides itself on being affordable to all so we are trying to keep all the fees associated with the race as low as possible. At the moment we are looking into fundraising possibly sponsoring the race.
- Parking for the Fun Run Participants will be at the base of Rotarun in the parking lot or the parking lot area of the BMX track, depending on where the race start is designated. I imagine we will have to shuttle people back to their vehicles after the race. The Rotarun Board still needs to discuss this.

**Annual Rotarun Concert**
Last year Rotarun held a concert at Hop Porter Park featuring Johnny Neel and Tony Furtado Band. We managed to raise $29,000.00 from the concert and raffle. We are hoping to do the same thing this year. So far we have Johnny Neel (the original keyboard artist for the Allman Brother's Band) on board to play at the concert as well as Josh Kelly (the percussion artist of the year). We are hoping to get several local bands to play prior to our featured artists.
- the plan is, is to have the Croy Fun Run end at Hop Porter Park where we will have the concert area set up. Rotarun hasn't decided if we will have an all day running concert yet
or just an afternoon/early evening concert. But we would have local artists play possibly after the Fun Run and through out the afternoon.

-If we have food at the concert it will be provided by KB's (Brian Christensen). If we opt to not have a food vendor at the concert we will encourage families to bring a picnic and or cooler.

-at this time no alcohol is planned for the event

-We are in the process of obtaining a few corporate sponsors for the concert

-throughout the duration of the concert we will be raffling off prizes, everything from a cruiser bike to a t.v. to gift certificates, etc.

-the stage will more than likely be borrowed from the Sun Valley Center for the Arts, if it is available

-Craig Campbell will be taking care of all the sound for the concert

-tickets will be sold prior to the concert at two designated ticket outlets. We are unsure of the price of the concert at this time. Last year's concert tickets went for $20 for adult, $10 for student, and $5 for children. I imagine this year the prices will be comparable if not the same.

-advertising- we hope to utilize the local papers, radio and posters to advertise the Fun Run and Concert.

-Staff for the concert - Rotarun is largely dependent upon volunteers to help with the concert as well as the Fun Run. Last year we had about 30 some odd volunteers assisting with the concert, everything from taking tickets to set up and take down, and security.

-Security will be provided by Sawtooth Martial Arts (Oliver Whitcomb and others). We will also ask RJ who owns a local security company.

-Parking- Rotarun will encourage families to ride bikes or walk to the event. We are hoping people who do choose to drive can park around Hop Porter as well as the River St. Park and Ride area.

-Fencing- the fencing for the concert area will be the same fencing that is used for the folk festival. We are hoping to borrow the fencing from the airport, much like we did last year.

-First Aid/safety- Again we have at least 3 certified first responders to assist with the concert. We may have a paramedic friend of mine on hand as well.

-t-shirts will be on sale at the concert, but again this depends on the overall cost of making the shirts.

-at the concert area we are hoping to have a childrens/kids area with a bouncy house, balloons, and face painting. This special designated kids area would be open after the Fun Run until it is time for Rotarun’s main attraction or feature artist.

-the bouncy house will be donated by the Blaine County Rec for our use and we are hoping to ask Atkinson’s to donated the balloons.

-Special Event insurance will be obtained from Wood River Insurance

-Permits will come from the city paid by Rotarun unless.....

This is a brief outline of Rotarun’s planned events for September 6th 2008. What we are looking for from the Hailey Chamber of Commerce is to make this event a Chamber sanctioned event. In speaking to Jim Spinelli back in March I interpreted a chamber sanctioned event to be something where Rotarun could get assistance with all the fees involved for securing the necessary permits associated with the Fun Run and Concert. I
also understood we could get assistance with advertising in print and the radio. If I
understood correctly, the above help would be tremendous for Rotarun which is a non-
profit organization and solely dependant upon grants and donations. The Fun Run and
Concert are being held in order to raise funds for our general overall winter operations for
the 2008-2009 ski season.

The Hailey Chamber would receive recognition at the concert for it's assistance and in
print thank you ads following the concert. We can also get the Hailey Chamber's name
on posters as well.

Any support the Hailey Chamber of Commerce can offer would be greatly appreciated. I
would also be interested in your feedback regarding the events, what can I do to better the
event or make it a great success. Your input is appreciated and I thank you all for your
time and consideration.

Sincerely,
Sarah Busdon
Secretary, Rotarun Board of Directors

AGENDA ITEM SUMMARY

DATE: 7/28/2008  DEPARTMENT: Legal  DEPT. HEAD SIGNATURE:_____

SUBJECT:  
Tree Ordinance  Ord. 1013

AUTHORITY:  □ ID Code ______  □ IAR ______  □ City Ordinance/Code ______
(IF APPLICABLE)

BACKGROUND/SUMMARY OF ALTERNATIVES CONSIDERED:

Following the Council's review of the tree ordinance at your last meeting, I have included some language about notice to property owners and consultation, along with a right of appeal. In addition, I have added some language clarifying when a tree along a public right-of-way boundary is subject to the ordinance. Finally, I have made some formatting revisions.

I forwarded this draft to staff for review and comments. The only expressed concern was the language about consulting. The staff felt we should trust the Tree Committee to balance the preferences of the adjacent owner with the needs of the entire community.

If you have any questions, please contact me. Thanks.

Ned

___ Streets  ___ Public Works, Parks  ___ ___  ___

RECOMMENDATION FROM APPLICABLE DEPARTMENT HEAD:

Conduct a public hearing, and if appropriate, make a motion to approve Ordinance No. 1010 and to conduct a first reading of the ordinance.

FOLLOW-UP REMARKS:

7/28 - Council made one revision -

7/28 - Council approved

Ned Williamson to make changes - 2nd reading

8/11 - 3rd Reading & authorized Mayor to sign

8/18 - Summary of Ord. 5613 -
SUMMARY OF HAILEY ORDINANCE NO. 1013

The following is a summary of the principal provisions of Ordinance No. 1013 of the City of Hailey, Idaho, duly passed and adopted August 11, 2008, by the City Council and Mayor of the City of Hailey:

AN ORDINANCE OF THE CITY OF HAILEY, IDAHO, AMENDING THE HAILEY MUNICIPAL CODE, ADDING A NEW CHAPTER 2.36 TO ESTABLISH A HAILEY TREE COMMITTEE AND POLICIES, REGULATIONS AND STANDARDS FOR THE HAILEY TREE COMMITTEE; ADDING A NEW CHAPTER 2.20 TO ESTABLISH A HAILEY TREE ORDINANCE AND RULES, REGULATIONS AND STANDARDS FOR PUBLIC TREES AND CERTAIN PRIVATE TREES; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; AND PROVIDING FOR AN EFFECTIVE DATE OF THIS ORDINANCE UPON PASSAGE, APPROVAL AND PUBLICATION ACCORDING TO LAW.

Hailey Ordinance No. 1013 amends Hailey Municipal Code, as follows:

Section 1 amends Title 2 of the Hailey Municipal Code, with the addition a new Chapter 2.36, entitled Hailey Tree Committee, by providing a purpose section, establishing a Hailey Tree Committee (“Committee”) subject to membership and meeting rules, providing the Committee is a recommending body, outlining the powers and duties of the Committee, and prohibiting conflicts of interest by a member of the Committee.

Section 2 amends Title 2 of the Hailey Municipal Code, with the addition a new Chapter 12.20, entitled Hailey Tree Ordinance, by providing a purpose section, creating definitions, establishing rules for Public Trees and procedures for work on Public Trees, providing an exclusion for the City of Hailey to plant, maintain and remove a Public Tree or Shrub, establishing rules for Private Trees, providing that a violation of the Hailey Tree Ordinance is a misdemeanor punishable by a maximum fine of $300.00 or thirty (30) days in jail or both such fine and imprisonment, and allowing the recovery of damage to a Public Tree for the value of the Public Tree and costs incurred by Hailey for the care, treatment, pruning, removal and/or removal of a Public Tree.

Section 3 provides for a severability clause.

Section 4 provides for a repealer clause.

Section 5 provides for an effective date of the ordinance.

The full text of Ordinance No. 1013 is available at Hailey City Hall at 115 South Main Street, Suite H, Hailey, Idaho 83333 and will be provided to any citizen upon request during regular business hours.
CERTIFICATION OF CITY ATTORNEY

I, the undersigned Attorney at Law, as attorney for the City of Hailey, Idaho, hereby certify that I have read the foregoing summary of Ordinance No. 1013 of the City of Hailey, that I have compared it to the full text of Ordinance No. 1013, and that in my opinion, the above summary is true and complete and provides adequate notice to the public of the contents of said Ordinance.

Dated this 18th day of August, 2008.

RE:    PROPOSAL FOR PEREGRINE RANCH RECHARGE ANALYSIS

I am in receipt of a copy of SPF July 3rd letter to Public Works Director Tom Hellen and I am supportive of SPF’s proposal for an engineering analysis for a recharge program on the Peregrine Ranch. I would also be agreeable to splitting equally the SPF billing fees with the City of Hailey.

It is my understanding that you may request a meeting with Karl Dreyer and other senior people at IDWR to be attended by Tom Hellen, Councilman Fritz Haemmerle, and perhaps others to represent the City of Hailey and I would like to have Chuck Brockway, Jr. attend as well for his knowledge on the subject and for the benefit of all the parties.

I will look forward to your response on the above matters.

Sincerely,

[Signature]

RE:    PROPOSAL FOR PEREGRINE RANCH RECHARGE ANALYSIS

This is to reconfirm my July 29th letter in support of SPF's proposal for a recharge program and to split their fee with the City of Hailey; I hope that Hailey will proceed to schedule a meeting at an early date.

I look forward to your response.
