Croy Lupines

This design is inspired by the stunning lupines that grace our valley every Spring, and feel like a special and core part of Hailey. We want to honor them by creating a design that is both classic and modern - merging our two styles and creating something that is both true to the wildflower and place, and unique and eye catching.

The design would be done as large but lightweight concrete panels, installed directly onto the wall with bolting and framing. The result would be an incredibly durable, long lasting, and vibrant mural.

1. New Business:

- The Parks and Land Board requested that the HAHPC Commission discuss the possibility of renaming the Hailey Rodeo Grounds. The Uhrig family approached Mayor Burke asking to rename the Rodeo Arena the Ted Uhrig Arena in honor of their dad/grandpa for his efforts over the years. The Uhrig family introduced themselves and provided the Commission with the history of the family and the Rodeo Grounds, stating that their father became the youngest member of the Sawtooth Rangers at 17 years old, helping to build the area that stands today. Over the next 50 years Ted served the Sawtooth Rangers and the Days of the Old West Rodeo as founder, director, organizer, lead rider, president, and competitor. Him and his wife Maxine helped to shape the rodeo into what we have all grown to love. They were named the Grand Marshals in 1997 as a reflection of their lasting impact on the Community. The Commission discussed the proposal and had some minor concerns with the proposed logo/ sign for the arena. Lisa Horowitz suggested that the proposed sign/logo be temporary and that once approved, staff can work with the family to create something that everyone is happy with through the city's Wayfinding program. The Commission suggested possibly changing the name to "The Uhrig Rodeo Arena" to include the support of Maxine and the rest of the family as well. At 4:06 Pm, Romero made a motion to recommend to the Council and to The Parks and Land Board, the renaming of the Hailey Rodeo Grounds, Rowland seconded and all were in favor.
- Historic Marker: Rowland gave an update to the Commission; The update included the proposed date of the boulder re-location on June 19, 2026, which will be completed by Lunceford as well as the site prep to get it ready. The required Certified Road Closure, which was prepared by Jeremy Bennett with Road Work Ahead, and a quote from Pacific Steel and Recycling for \$174.54 for the landscaping edging. At 4:12 Pm, Davies made a motion to approve the proposed quotes and work to be completed, Romero seconded, and all were in favor.
- Art Plaques: The Commission discussed the wording for the Hop Porter Park Mural "Our Differences make a Difference". At 4:20 Pm, Rowland made a motion to approve the plaque wording, Romero seconded and all were in favor.

2. Old Business, In-Progress & Status Reports

- 4:20 pm Adoption of the Meeting Minutes from May 13, 2026. Rowland made a motion to

approve the Minutes from May 13, 2026, Romero seconded, and all were in favor.

4:25 pm Davies made a motion to adjourn the meeting, Kapala seconded, and all were in favor.

3. Next Meeting Agenda + Topics (Wednesday, July 8, 2026)
