

Parks and Lands Board Meeting Minutes

Date: May 28, 2025

Called to Order: 6 PM

Committee Members Present: Bob Wiederrick, Penny Thayer, Lamar Waters, Darin Sales, David Fluetsch,

Staff Present: Amy Bain

New Business

April 23, 2025 meeting minutes – motion to approve by Lamar Waters. Darin Sales second. All in favor.

Curtis Park discussion and tour

The board members discussed and laid out a location for the new 2 seater swing set to the East of the existing swing set. They also decided to put the toddler bucket seats on the existing swing and the belt seats on the new swing.

Kiwanis will be removing the barbed wire fence along the West side of the park in the next couple of months. Amy will notify the neighbor. The fence on the South side will remain until the City is ready to replace it.

During a walk of the park we noticed some dead aspen trees on both the East and West sides of the park. Amy will discuss removal with Brian.

Heagle Park discussion and tour

The board members discussed and recommended a location for a permanent porta potty. Lamar motioned to put it in the SW corner of the parking area in front of the tennis courts. Penny seconded the motion. All were in favor.

Dave mentioned that the tennis court needs repair and asked if the City could do it the same time the pickleball side was going to be repaired by the Pickleball Association. Amy will talk with Brian about it.

During a walk of the park it was pointed out that the volleyball court needs to be cleaned up, and has no net. Amy said there have been no public requests for a net, so it had not been planned. Most people are putting up their own in the grass to play.

Other topics

Amy talked about the upcoming fundraising effort for the stage roof. She asked if anyone would be able to man a shift this summer at the Hailey Rocks concerts on Thursday nights. Several members said they could help and Amy will send out a sign up sheet. It was also suggested to apply with the Seagraves Foundation for a grant. Amy will look into that.

Next Meeting:

Wednesday, June 25, 2025 at Old Cutters at 6 PM

Proposed agenda will be park signage

Meeting Adjourned: 7:46 PM
