

Parks and Lands Board Meeting Minutes

Date: October 21, 2025

Called to Order: 6:00 PM

Committee Members Present: Bob Wiederrick, Lamar Waters, Darin Sales, Penny Thayer, Dave Fluetsch

Staff Present: Amy Bain

Darin made the motion to approve the August 2025 meeting minutes; Bob seconded; all were in favor.

New Business

Amy showed several pictures of styles and materials for the permanent porta potty structure at Heagle Park. The members concluded that they would like something that blends into the park's aesthetics with a simple design. They would like it to have a rustic wood look with some metal. Lamar suggested it be large enough that the porta potty could sit back into the structure a couple of feet so the door could easily open during the winter.

The group also talked about how good the new fence at Curtis Park looked, and how happy they were to see it finished. Penny said it would be nice to have something to go into some of the inset panels, however.

Board members talked about locations for the climbing dome and toddler playset to be installed. Both were originally intended to go into Curtis Park and the board decided that is still the best option. Penny made the motion for both to be installed in 2026 at Curtis Park. Darin seconded the motion and all were in favor.

Lamar said that he saw that Hailey got the Community of the Year Award and how exciting it was for our community to be recognized for all the effort put in.

Other

Due to the holidays, the next meeting would be in January 2026. The board said they would like to continue with having meetings on Tuesdays at 5:30 pm.

The next meeting we will be electing new officers.

Meeting adjourned by Chair Bob Wiederrick at 7:30pm.
