**New Business:**

*Park Bathroom Discussion*

A board member noted park restroom maintenance difficulties and provided a list of items to be fixed at Hop Porter Park. Another board member suggested moving to port-a-potties at parks to eliminate challenges with plumbing and cleanliness. A board member suggested creating permanent structures to house ADA-compliant port-a-potties with external handwashing stations as a possible solution. This discussion will be continued at the next meeting.

**Old Business:**

*Shade Structure*

Bob worked with the City and Kiwanis to install a temporary shade structure over the concrete benches at the park. Board is waiting to hear from Tree Committee on final decision as to whether the central island of trees will be removed to create space for a central shade structure. All agreed that ensuring structure does not become a safety hazard is a priority.

*Park Maintenance and Volunteer Work Days*

Board noted that working with volunteers is a slow process, questioned whether there is funding to hire a contractor with technical expertise to perform additional maintenance tasks including concrete and paver repair.

*Skate Park Celebration*

Board would like to make more progress on skate park before hosting a celebration. Board considered moving the celebration to next summer, or early fall.

*Adopt a Park*

Board suggested reaching out to local concrete companies or contractor services through the Adopt a Park program to adopt the Skate Park.

*Litter/Trash Pick Up*

Board will use first ten minutes of following meetings to pick up trash at park.

**Discussion of Topics for Next Agenda:**

Next meeting will be on August 17, in person at the Skate Park

Discussion of Park Restroom Facilities

**Adjourn:**

Waters moves to adjourn the meeting at 7:08pm, second by Karen, passes unanimously.
