Webb Landscape Delivers Topnotch Service in Hailey's Hop Porter Park

Webb Landscape – Park Adopter Since 2012

Webb Landscape adopted Hop Porter Park in 2012, the first year of Hailey's Adopt a Park Program. Hop Porter is one of Hailey's most popular parks, and also one of its four largest, at 4.3 acres.

Webb mows and trims the park weekly, and maintains the turf in top condition while meeting the guidelines of the Wood River Land Trust's Trout Friendly Lawns program. 100% of Webb's services at Hop Porter are donated, saving taxpayer dollars and providing a beautiful outdoor amenity at the same time.

Webb Landscape is now finishing its 6th year of caring for Hop Porter Park through Hailey's Adopt a Park Program.

The Webb Story

Doug Webb came to the Wood River Valley in the 1970s to ski. Like most locals, he never left. With his pickup and mower, Doug opened shop in 1972 as the one and only employee of Webb Landscape. Since then, Webb has grown into a diverse business including four retail locations, 60 acres of nursery, a dedicated maintenance and property services team and more than 160 employee owners.

Quality, a spirit of teamwork and a passion for innovation have always been the cornerstones of the company. You can count on Webb to provide expert service for all your outdoor lifestyle needs knowing that the most innovative techniques are being used to care for your property.

As he approached retirement in 2001, Doug noted the dedication of his employees and put the business in their hands by making Webb an employee-owned company, motivating the whole team to actively participate in the continuous improvement of Webb. For customers, this means many more years of high-quality products, services and relationships at a better value than anywhere else.
