New Park in South Woodside Naming Process Completed Toe of the Hill Park

(Hailey, Idaho) – The Hailey Parks and Lands Board recommended to the Hailey City Council the name for Hailey’s newest park at 3290 South Woodside Boulevard. The name chosen and finalized by the City of Hailey is ***Toe of the Hill Park***, a name which was suggested by a member of the community.

The Hailey Public Works Department began installation of this new park last fall. Completion of the park is planned in late spring of 2021. The completed park improvements will include play equipment and a small picnic area. Primarily, the park offers a quiet space within an established neighborhood at a bus stop, and provides a connection to the Toe of the Hill Trail as the key features of this very small park.
