## **Main Street Reconstruction Project Underway** ITD Schedules Open House for June 16, 2021

(Hailey, Idaho) – Idaho Transportation Department began work on Hailey’s Main Street last month, launching a major reconstruction project through Hailey’s downtown business core.

Knife River Construction was awarded the contract for the project which will be done in two phases:

Phase 1 is the construction of the ADA curb ramps.  
Phase 2 is the roadway reconstruction.

ADA ramp construction is currently underway and is expected to be completed by the end of June. No construction will be allowed for the entire 4th of July holiday week from July 4 to July 11.

The roadway portion of the contract will begin Monday, July 12 and will be done at night and lanes will be opened up to drive on during the day. Driving on gravel is anticipated but Knife River will make efforts to keep the dust down as much as possible. There will be a public open house on Thursday, June 16 from 3:30 p.m. to 7:00 p.m. at the Hailey City Hall. ITD and Knife representatives will be available to answer questions.
