The Bidder must hold a valid Idaho Public Works License prior to the bid due date. The Bidder must submit a list of all subcontractors with their BID PROPOSAL.

The BID PROPOSAL must be submitted in a sealed envelope, plainly marked on the outside as:

“BID FOR QUIGLEY ROAD WATER MAIN IMPROVEMENTS”

If forwarded by mail, the sealed envelope containing the BID PROPOSAL must be enclosed in another envelope addressed to the HAILEY PUBLIC WORKS DEPARTMENT, in care of the receiving office.

The BID PROPOSAL must be made on the required BID FORM. All blank spaces for bid prices must be filled in, in ink or typewritten, and the BID FORM must be fully completed and executed when submitted. Only one copy of the BID FORM is required.

The CITY OF HAILEY may waive any informalities or minor defects or reject any and all BID PROPOSALS. Any BID PROPOSAL may be withdrawn prior to the above scheduled time for the opening of BID PROPOSALS or authorized postponement thereof. Any BID PROPOSAL received after the time and date specified shall not be considered. No Bidder may withdraw a BID PROPOSAL within 60 days after the actual date of the opening thereof. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the CITY OF HAILEY and the Bidder.

The Bidder is responsible for inspecting the site and for reading and being thoroughly familiar with the CONTRACT DOCUMENTS. The failure or omission of the Bidder to do any of the foregoing shall in no way relieve the Bidder from any obligation in respect to the Bidder’s BID PROPOSAL. The Bidder must satisfy themselves of the accuracy of any estimated quantities in the BID PROPOSAL by examination of the site and a review of the drawings and specifications including ADDENDA. The quantities shown in the BID PROPOSAL are estimated quantities and are given solely for the purpose of facilitating the comparison of Proposals. All computations of the Contractor's compensation shall be based upon the quantities of work actually performed, whether greater or less than estimated quantities. After BID PROPOSALS have been submitted, the Bidder shall not assert that there was a misunderstanding concerning the quantities of WORK or of the nature of the WORK to be done. Any objections to the contents or terms of the contract documents, plans and specifications shall be raised no later than three (3) days prior to the bid opening date and time.

The CITY OF HAILEY shall provide to the Bidder, prior to the opening of the BID PROPOSALS, all information which is pertinent to, and delineates and describes, the land owned and rights-of-way acquired or to be acquired. The CONTRACT DOCUMENTS contain the provisions required for the construction of the project. Information obtained from an officer, agent, or employee of the CITY OF HAILEY, or any other person, shall not affect the risks or obligations assumed by the CONTRACTOR or relieve him from fulfilling any of the conditions of the AGREEMENT.

A PERFORMANCE BOND and a PAYMENT BOND, each in the amount of 100 percent of the CONTRACT PRICE, with a corporate surety approved by the CITY OF HAILEY, will be required for the faithful performance of the contract. Attorneys-in-fact who sign PERFORMANCE BONDS or PAYMENT BONDS must file with each bond a certified and effective dated copy of their power of attorney.

A conditional or qualified BID PROPOSAL will not be accepted.

The CITY OF HAILEY reserves the right to reject any or all BID PROPOSALS, and to postpone the award of the CONTRACT for a period not to exceed sixty (60) days.
SUCCESSFUL BIDDER, NOTICE-OF-AWARD, EXECUTION OF AGREEMENT, and NOTICE-TO-PROCEED

The Bidder to whom the CITY OF HAILEY issues a NOTICE-OF-AWARD is deemed the “Successful Bidder.”

The CITY OF HAILEY may make such investigations as deemed necessary to determine the ability of the Successful Bidder to perform the WORK, and the Successful Bidder shall furnish to the CITY OF HAILEY all such information and data for this purpose as the CITY OF HAILEY may request. The Successful Bidder shall supply the names and addresses of major material SUPPLIERS and SUBCONTRACTORS, if requested to do so by the CITY OF HAILEY. The CITY OF HAILEY reserves the right to reject any the Successful Bidder’s BID PROPOSAL if the evidence submitted by, or investigation of, the Successful Bidder fails to satisfy the CITY OF HAILEY that the Successful Bidder is properly qualified to carry out the obligations of the AGREEMENT and to complete the WORK contemplated therein.

The CITY OF HAILEY shall include with the NOTICE-OF-AWARD the necessary agreement and bond forms. Within seven (7) calendar days from the date when the NOTICE-OF-AWARD is delivered to the Successful Bidder, the Successful Bidder will be required to execute the AGREEMENT and provide the acceptable PERFORMANCE BOND, PAYMENT BOND, and CERTIFICATE OF INSURANCE. If the Successful Bidder is unable to execute the AGREEMENT, as described, the CITY OF HAILEY may consider the Successful Bidder in default.

The CITY OF HAILEY, within ten (10) days of receipt of acceptable PERFORMANCE BOND, PAYMENT BOND, CERTIFICATE OF INSURANCE, and AGREEMENT, signed by the Successful Bidder to whom the AGREEMENT was awarded, shall sign the AGREEMENT, and return an executed duplicate of the AGREEMENT to the Successful Bidder. Should the CITY OF HAILEY not execute the AGREEMENT within this ten (10) day period, the Successful Bidder may, by written notice, withdraw the signed AGREEMENT. Such notice of withdrawal shall be effective upon receipt of the notice by the CITY OF HAILEY. Upon execution of the AGREEMENT, the Successful Bidder is deemed the “CONTRACTOR.”

The CITY OF HAILEY shall issue the NOTICE-TO-PROCEED immediately following execution of the AGREEMENT by the CITY OF HAILEY. Should there be reasons why the NOTICE-TO-PROCEED cannot be issued within such period, the time may be extended by mutual agreement between the CITY OF HAILEY and CONTRACTOR. If the NOTICE-TO-PROCEED has not been issued within sixty (60) days of the bid opening or within the period mutually agreed upon, the CONTRACTOR may terminate the AGREEMENT without further liability on the part of either party.

All applicable laws, ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the PROJECT shall apply to the contract throughout as if written therein in full.

3.3.1. The Surety in accordance with the terms of the Contract;

3.3.2. Another contractor selected pursuant to paragraph 4.3 to perform the Contract.

4. When the Owner has satisfied the conditions of paragraph 3, the Surety shall promptly and at the Surety's expense take one of the following actions:

4.1. Arrange for the CONTRACTOR, with consent of the Owner, to perform and complete the Contract; or

4.2. Undertake to perform and complete the Contract itself, through its agents or through independent contractors; or

4.3. Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Contract, arrange for a contract to be prepared for execution by the Owner and the contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the Bonds issued on the Contract, and pay to the Owner the amount of damages as described in paragraph 6 in excess of the Balance of the Contract Price incurred by the Owner resulting from the CONTRACTOR Default; or

4.4. Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances;

4.4.1. After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, tender payment therefor to the Owner; or

4.4.2. Deny liability in whole or in part and notify the Owner citing reasons therefor.

5. If the Surety does not proceed as provided in paragraph 4 with reasonable promptness, the Surety shall be deemed to be in default on this Bond fifteen days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the OWNER shall be entitled to enforce any remedy available to the OWNER. If the Surety proceeds as provided in paragraph 4.4, and the OWNER refuses the payment tendered or the Surety has denied pliability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

6. After the Owner has terminated the CONTRACTOR's right to complete the Contract, and if the Surety elects to act under paragraph 4.1, 4.2, or 4.3 above, then the responsibilities of the Surety to the Owner shall not be greater than those of the CONTRACTOR under the Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the OWNER under the Contract. To a limit of the amount of this Bond, but subject to commitment by the Owner of the Balance of the Contract Price to mitigation of costs and damages on the Contract, the Surety is obligated without duplication for:

6.1. The responsibilities of the CONTRACTOR for correction of defective Work and completion of the Contract;

6.2. Additional legal, design professional and delay costs resulting from the CONTRACTOR's Default, and resulting from the actions or failure to act of the Surety under paragraph 4; and

6.3. Liquidated damages, or if no liquidated damages are specified in the Contract, actual damages caused by delayed performance or non-performance of the CONTRACTOR.

7. The Surety shall not be liable to the Owner or others for obligations of the CONTRACTOR that are unrelated to the Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the OWNER or its heirs, executors, administrators, or successors.

8. The Surety hereby waives notice of any change, including changes of time, to the Contract or to related subcontracts, purchase orders and other obligations.

9. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the Work or part of the Work is located and shall be instituted within two years after CONTRACTOR Default or within two years after the CONTRACTOR ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

10. Notice to the Surety, the Owner or the CONTRACTOR shall be mailed or delivered to the address shown on the signature page.

11. The intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
