Winter Towing is in Effect: the City of Hailey will be towing tonight!

Your vehicle will be ticketed and towed if it is impeding snowplow operations. Citizens can retrieve their vehicles at one of the following locations:

- 1) If the car was parked south of Fox Acres Road, it can be retrieved at the “**Countryside Lot**” (SW corner of Countryside and Shenandoah)
- 2) If the car was parked north of Fox Acres Road, it can be retrieved at the “**Hailey Park and Ride Lot**” (corner of River and Bullion Streets).

Questions about towed vehicles can be directed to the Hailey Police Department at 208-788-3531.

Every year we remind our citizens as to what you can expect from the City and what you will need to take care of yourself regarding winter snow removal. Generally, the City plows once 3” of snow accumulates. Snow plowing primarily occurs at night. The City cannot plow during the day as it is simply not safe.

Because we must plow tonight, we are very strict about ticketing and towing.
