

City of Hailey Job Description

JOB TITLE: Entry Level Wastewater/Collection Operator Full-time, Permanent Position

SUMMARY: Under general supervision of the Wastewater Superintendent or Collection/Maintenance Foreman, performs a variety of manual, semi-skilled, and skilled work in the operation, maintenance and repair of a 1.6 MGD wastewater facility and 50 miles of collection system. Performs related work within the Public Works Department as required including snow removal operations.

ESSENTIAL DUTIES AND RESPONSIBILITIES will vary depending upon the level of assignment and duties may include, but are not limited to, the following:

- Works under the direction of the Wastewater and Streets Division Managers.
- Performs a variety of semi-skilled and skilled work in the maintenance and repair of wastewater collection system, including but not limited to, inspecting, cleaning, monitoring, repairing and reporting conditions.
- Uses a variety of specialized equipment including hydro-cleaning, camera vehicles, back hoe, forklifts, vibrators, jackhammers, tampers and cutters.
- Operate equipment used in road maintenance and snow removal.
- Test and monitor manholes for dangerous gases and uses proper safety precautions when entering underground areas.
- Takes plant readings of pressures, volumes, weights, levels, and other data and records it on log sheets or computer.
- Observes variations in operating conditions and interprets meter and gauge readings and test results to determine plant process adjustment requirements.
- Assist in the coordination of contracted repair work; maintains records on work performed and inventories of needed supplies and materials.
- Lubricates, cleans and adjusts plant equipment.
- Performs routine inspections of various infrastructures for compliance with City Ordinances and Standards.
- Regularly inspects lift stations and may repair or replace valves or fittings, performs flow monitoring;
- Responds to emergency repair calls.
- Establishes positive working relationships with Wastewater Superintendent and staff, other agencies and the public.
- May be required to be on weekly "On Call" duty.
- Is expected to work odd hours and on holidays as the job duties require or as requested by the management.
- Perform related or miscellaneous duties related to City facilities or lands as required.

SUPERVISORY RESPONSIBILITIES:

- Responsible for maintaining a respectful workplace.
- Responsible for the enforcement of safe work practices at all times on the job site.
- Responsible for timely filing of all incident reports, safety incidents, or accidents.

SUPERVISION RECEIVED:

- Wastewater Superintendent.
- Collection Foreman
- Streets Superintendent

QUALIFICATION REQUIREMENTS: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.

EDUCATION and/or EXPERIENCE:

- Experience in general mechanical maintenance and/or pipeline construction.
- Operational experience is preferred but not necessary
- High school graduation or equivalent.

GENERAL SKILLS:

- Perform heavy manual labor.
- Safely and effectively operate tools and equipment used in the maintenance and repair of sewer collection systems and related facilities.
- Operate a computer and a variety of word processing and software applications.

LANGUAGE SKILLS:

- Deal tactfully with the public and others in providing information, answering questions and providing customer service.
- Read, understand, and follow posted work rules and procedures; follow oral and written directions; and accept constructive criticism.
- Communicate clearly and concisely both orally and in writing.
- Ability to read, analyze, and interpret general business periodicals, professional journals, technical procedures, or governmental regulations.
- Ability to assist in writing reports, safety documents, and procedure manuals.

MATHEMATICAL SKILLS:

- Ability to add, subtract, multiply, and divide in all units of measure, using whole numbers, common fractions, and decimals.
- Ability to compute rate, ratio, and percentages.
- Ability to measure and understand impact of projects, including the indirect cost factors of the department or City.
- Ability to use the mathematical, maintenance, and financial software applications of the City.

REASONING ABILITY:

- Ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists.
- Ability to interpret a variety of instructions furnished in written, oral, diagram, or schedule form.
- Ability to analyze and understand the organizational culture of the City of Hailey.
- Refrain from exposure to risk, conflicts of interest, violations of laws, rules, or ordinances, and unsafe practices.

CERTIFICATES, LICENSES, REGISTRATIONS:

- Possession of a commercial Idaho driver's license (Class A license with tanker and air brake endorsements) within six (6) months of appointment. Continued maintenance of a valid Idaho driver's license of the required category, and the ability to be insured for the operation of a City vehicle in accordance with the terms and conditions of the City insurance program are conditions of continuing employment.
- Possession of an Idaho Collections Operator Certification for Collection System Maintenance Level I within 18 months of appointment.
