#### TERM

2.2 Term The Franchise granted hereunder shall be for a term of ten (10) years commencing on the effective date of this Agreement as set forth below, unless otherwise lawfully terminated in accordance with the terms of this Agreement. This Franchise shall expire midnight on December 14, 2025, unless extended by the mutual agreement of the parties.

### IV.

#### DUTIES AND RESPONSIBILITIES OF FRANCHISEE

4.1 Conditions of Occupancy. The Gas Transmission and Distribution System installed by the Franchisee pursuant to the terms hereof shall be located so as to cause a minimum of interference with the proper use of Public Ways. Any obstruction in the Public Way that interferes with the proper use of Public Ways that, after proper notice to Franchisee demanding removal, is not promptly removed by Franchisee may be removed by Hailey and the costs thereof shall be immediately paid by Franchisee. All of the Gas Transmission and Distribution System presently or in the future located, maintained or installed in the Public Ways within the Service Area shall at all times be maintained in good order and condition, in accordance with standard engineering practices and in compliance with all applicable safety codes and lawful governmental regulations.

4.2 Restoration of Public Ways. If during the course of the Franchisee's construction, operation or maintenance of the Gas Transmission and Distribution System there occurs a disturbance of any Public Way by the Franchisee or its employees, contractors or agents, the Franchisee shall not unnecessarily or unreasonably obstruct the use of or damage any Public Way, and shall within a reasonable time as early as practicable replace and restore such Public Way to a condition reasonably comparable to the condition of the Public Way existing immediately prior to such disturbance and in accordance with applicable city standards.

Franchisee shall warrant and guarantee the portions of the Public Ways disturbed by Franchisee for a period of three (3) years following the repair and replacement of the Public Way.

4.3 Relocation at Request of Hailey. The Franchisee shall, at its sole expense, protect, support, raise, lower, temporarily disconnect, relocate in or remove from the Public Way, as necessary, any of the Property of Franchisee when lawfully requested by Hailey for a public purpose. The request to relocate by Hailey shall be preceded by the receipt of reasonable advance written notice, not to be less than sixty (60) business days, except in an emergency in which case shall be preceded by such notice as is practicable. Whenever Hailey shall pave or repave a Public Way, shall change the grade or line of any Public Way or shall construct or reconstruct any conduit, sewer or water main, sewer or water connection or other public works or utility, it shall be the duty of the Franchisee when requested by Hailey to change any portion of the Gas Transmission and Distribution System or other property of Franchisee at its own expense so as to conform to the established grade or line of the Public Way and so as not to interfere with the conduits, sewer or water main, sewer or water connection or other public works or utility as constructed or reconstructed; however, Franchisee shall not be required to relocate pipes, mains and appurtenances when the Public Way in which they are located is vacated for the convenience of abutting property owners and not as an incident to the public improvement, unless the reasonable cost of such relocation and the loss and expenses resulting therefrom is first paid to Franchisee.. The City will make a reasonable effort to avoid the need for such moving or changing whenever possible. In the event federal, state or other funds are available in whole or in part for utility relocation or alteration purposes, Hailey may apply for such funds and the Franchisee will be reimbursed to the extent any such funds are actually expended.

4.4 Permit Required. Franchisee shall secure all necessary permits within the Public Ways within the Service Area and shall be subject to all applicable ordinances, but no fee shall be required of Franchisee for any such permit.

4.5 Customer Inquiries. Franchisee shall comply with all rules and regulations of the Idaho Public Utility Commission relating to Customer requests about service options and procedures, fees, start-up or termination of service, conversion of accounts and billing and payment inquiries in a prompt and reasonable fashion.

## V. REGULATION BY HAILEY

The Franchisee shall pay to Hailey a franchise fee equal to three percent (3%) of Gross Revenues received by the Franchisee from the operation of the Gas Transmission and Distribution System to provide Gas Services on a quarterly basis. The quarterly payment for the franchise fee shall be due and payable at the end of the calendar quarter which shall terminate at midnight on March 31, June 30, September 30 and December 31 of each year. Each quarterly payment shall be paid within thirty (30) days after the end of each calendar quarter and shall be accompanied by a brief report from a representative of the Franchisee showing the basis for the computation. Such quarterly payments shall be in lieu of taxes, fees or charges (other than ad valorem taxes) related to easements, franchises, rights-of-way, permits, utility lines and equipment installation, maintenance and removal during the term of Franchisee's franchise with

Hailey, which Hailey may impose for the rights and privileges herein granted or for the privilege of doing business within Hailey. All sums which become delinquent shall accumulate interest established by the Idaho Public Utility Commission for customer deposits, as may be amended.. In addition, where the Franchisee has underpaid the Franchise Fee and where payment was not received by Hailey when due, Franchisee may be required to pay all Franchise Fees and interest due on the total amount owed. The accrual of interest is not intended to waive or in any manner restrict Hailey's ability to elect any procedure or method of collection permissible by law or under this Agreement to enforce all the terms and conditions of this Agreement and the Franchise.

## VI. COMPLIANCE AND MONITORING

The Franchisee agrees that Hailey, upon thirty (30) days prior written notice to the Franchisee, may review such of its books and records as is necessary to ensure compliance with the terms of this Franchise. Notwithstanding anything to the contrary set forth herein, the Franchisee shall not be required to disclose information that contains trade secrets or is proprietary or confidential in nature, nor disclose books and records of any affiliate. Upon request by Hailey, the Franchisee shall furnish Hailey with a complete set of maps, including plans and profiles of the Gas Transmission and Distribution System.

The Franchisee shall provide evidence of acceptable insurance at limits listed above to City Clerk, City of Hailey, 115 Main Street So., Suite H, Hailey, Idaho 83333.
